

# NSHE COLLEGE READINESS DATA DASHBOARD

OCTOBER 4, 2023

Prepared by the  
**NSHE Department of Academic and Student Affairs**

For Presentation to the  
**Nevada State Board of Education**

# COLLEGE READINESS DATA DASHBOARD: ABOUT DASHBOARD

[https://ir.nevada.edu/college\\_readiness.php](https://ir.nevada.edu/college_readiness.php)

- Examines postsecondary enrollment and average ACT scores for recent Nevada high school students completing a standard, advanced, alternative or college and career ready diploma
- Data Sources: NSHE Student Data Warehouse and NPWR – Nevada’s statewide longitudinal data system (SLDS)
- Definitions and ACT Benchmark Scores
- Methodology

Update Chart

### English ACT Scores Average

Statewide

Statewide administration of the ACT for all high school juniors began in 2015. The dashboard reflects data for the high school graduating class of 2015-16 and beyond and for whom the ACT subject area score exists.

**ACT Benchmark:** The College Readiness Benchmark Scores as reported by the ACT are defined as the minimum score needed on an ACT subject-area test to indicate a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in the corresponding credit-bearing college courses.

## ACT College Readiness Score Distribution

The following graph indicates the percent of enrolled students (by institution) that are above (or at) the benchmark OR below the ACT college readiness benchmark in English and/or mathematics. This is not to be construed as placement rates, but rather indicates how recent high school graduates enrolled at NSHE institutions, performed on the standardized ACT.

### Score below or at/above benchmark in one or both Subjects

Statewide administration of the ACT for all high school juniors began in 2015. The dashboard reflects data for the high school graduating class of 2015-16 and beyond and for whom the ACT subject area score exists.

**ACT Benchmark:** The College Readiness Benchmark Scores as reported by the ACT are defined as the minimum score needed on an ACT subject-area test to indicate a 50% chance of obtaining a B or higher or about a 75% chance of obtaining a C or higher in the corresponding credit-bearing college
