

Nevada School Performance Framework Star Ratings for 2024-2025

Notice:

This file contains **only the Nevada School Performance Framework (NSPF) STAR Ratings**. No other accountability or performance data is included. Due to the recent catastrophic security incident in Nevada, this information is being published **on the NDE website only** and will **not appear in the Nevada Accountability Portal**.

Once the situation is resolved, the full Nevada Report Card website will be updated to include complete NSPF data, Alternative Performance Framework (APF) data and other school accountability and performance information.

Star Ratings may be 1, 2, 3, 4, 5, or Not Rated. Schools that are Not Rated did not qualify for a rating because they either lacked data for a measure required for rating or did not have the minimum required number of students (10 or more) in a required measure.
