Adjusted Diploma

The Adjusted High School Diploma is adapted to student needs according to an Individualized Education Program (IEP).

Adjusted Diploma
2022 & Beyond Graduation Requirements
The Adjusted Diploma is adapted to student needs according to an IEP. Adjusted Diploma means a diploma which evidences the graduation from high school of a pupil with a disability after the pupil has met special requirements or adjusted standards (per their IEP). (NAC 389.015) Transcripts and diplomas of Adjusted Diploma students may not show any indication that the student received this type of diploma.

Adult Standard Diploma

To earn an Adult High School Diploma, students must earn 20.5 credit units through an adult high school program established by a school district or an alternative program for students at risk of dropping out of school established by a school district.
