

THE DELTA ACADEMY

May 1, 2025

State Public Charter School Authority:

The Delta Academy completed an internal audit of the number of high school students who qualified under the Alternative Performance Framework (APF). It was determined that Delta no longer qualifies under the APF. Delta's Governing Board is formally requesting that we be moved from the APF to the Nevada School Performance Framework (NSPF) for the 2025-2026 school year.

Respectfully submitted,

Dara Winn

President

The Delta Academy Governing Board
