Superintendent Jara,

On September 14, 2023, I received a final draft of the Reorganization of the Clark County School District Training and Resources for review and approval as required by the Adopted Regulation of the State Board of Education [LCB File No. R063-22](#). After a review of this document, it is approved for the 2023-2024 school year.

Additionally, we would like to invite you or a representative to the next State Board of Education (SBE) meeting to present this document and to field any questions from the members of the SBE. The next meeting will be held on October 4, 2023 at 2:00 PM.

Kindly respond to this invitation by Thursday, September 21, 2023. Feel free to contact me directly with any questions.

Sincerely,
