Data Request/Analysis for the Leadership for the English Mastery Council

Overview: The Nevada State Assessment System

Proficiency

Proficiency is a minimum achievement level students must obtain in a content area as determined by Nevada educators, content experts, stakeholders, and parents. In Nevada the minimum level for proficiency is Level 3.

- Level 1 The student has not met the achievement standard and needs substantial improvement to demonstrate the knowledge and skills needed for likely success in future coursework.
- Level 2 The student has nearly met the achievement standard and may require further development to demonstrate the knowledge and skills needed for likely success in future coursework
- Level 3 The student has met the achievement standard and demonstrates progress toward mastery of the knowledge and skills needed for likely success in future coursework.
- **Level 4** The student has exceeded the achievement standard and demonstrates advanced progress toward mastery of the knowledge and skills needed for likely success in future coursework.

Smarter Balanced

- Grades 3-8
- Administered to meet state and federal reporting laws.
- The assessments are aligned with the Nevada Academic Content Standards in ELA and Mathematics.
- Assessments are administered at schools once a year as a computer-based test in a computer-adaptive format.
