Teachers and Leaders Council:

Please accept this addendum to the application submitted by the Clark County School District on September 13, 2018, to use an Alternate Nevada Educator Performance Framework (NEPF) Summative Rating Tool for teachers effective for the 2018-2019 school year. This communication provides updates that modify or add to the attached Teacher Evaluation Summative Rating Tools to be in compliance with protocols in the Nevada Educator Performance Framework.

Section 2: Summary of Evidence

Current: I, _____, have received a copy of the signed observation notes which identifies two required pieces of evidence for each Indicator.

Revised: I, _____, have received a copy of the signed observation notes which identifies two required pieces of evidence for each Indicator, as well as evidence toward my Student Learning Goal and Professional Practice Goal.

Section 3: Narrative and Final Rating

Current: (Please refer to the attachment for the current language on the evaluation tool.) Revise the bullets to read as follows.

Revised:

- For all educators, list any performance strengths.
- For all educators with the summative rating of Ineffective, Developing, or Effective, include any areas for growth.
- For educators earning the Performance Levels of 1 or 2 for any Instructional Practice or Professional Responsibilities Indicators, list the directions from the pre-/post-observation conference notes or the observation evidence tool already issued.
- If a schoolwide goal(s) is determined, list the goal(s) for all educators.

Section 3: Narrative and Final Rating

Current: This information does not currently exist on the Teacher Evaluation Summative Rating Tool (without an SLG). Add a table entitled Professional Practice Goal Progress.

- Include a statement regarding the progress of the PPG.

Tracking Standards and Indicators

Administrators will track the progress of observed Standards and Indicators during the observation cycles.

Sincerely,

A handwritten signature in blue ink that reads "Kim Mangino".
