Ms. Ebert:

Amplus Academy, as authorized by the SPCSA, would like to request approval from the Nevada Board of Education for additional courses from the Nevada System of Higher Education (NSHE) for which high school credit can be granted. I would appreciate if these items could be considered for the Thursday, July 15, 2021 Nevada State School Board Agenda as a consent item.

This item, for high school credit for courses taken concurrently through the Nevada System of Higher Education for high school students, was approved by the Amplus Academy School Board on March 4, 2021 and an amendment to include dual credit classes was approved by the SPCSA board on Friday, June 25, 2021.

Attached is the Amplus Academy board item and the SPCSA board item along with the course list and descriptions that are slated to be included for the 2021-2022 school year. Thank you for this consideration and processing of this board item. Please let me know if I can be of further assistance with this process.

Sincerely,

Sarah J. Barlow
Principal
