

Audiologist Professional Practice Standards Nevada Educator Professional Framework

Carie Hornby-Daniels, Au.D, CCC A/SLP
Teachers and Leaders Council Meeting
May 23, 2018

Governing Entities

- American Audiology Academy (AAA)
- Educational Association of Audiology (EAA)
- American Speech Language Hearing Association (ASHA)
- Nevada Early Hearing Detection & Intervention (NV EDHI)
- Nevada Administrative Code (NAC)
- Individual with Disabilities Education Act (IDEA)
- Americans with Disabilities Act (ADA)

Highly Specialized

- Doctors of Audiology (supervisors have minimal knowledge regarding the scope of practice and area of expertise)
- Consulted with other school districts
- Roles and responsibilities very different across the state
- The initial proposed NEPF was written for teachers which did not relate to educational audiology

Audiologist

- Medical Perspective in an Educational Setting
- Access
- Diagnostics
- Listening Environments
- Counseling and Education
- Current Technology and Research

Learning Environment

- Access
- Inclusive
- Diversity

Service Delivery

- Access
- Specially Designed Instruction
- Classroom Acoustics
- Caseloads/Documentation
- Counseling and Education

Professional Development

- Student Outcomes
- Education
- Technology
- Reflection

Collaboration

- Colleagues
- Significant Adults
- Community Providers
