

Executive Director,
John Etzell

Mission & Vision Statement

MISSION:

Changing the way America cares for children and families.

VISION:

An America where every child and family receives the effective, compassionate care they need to be healthy in body, mind and spirit.

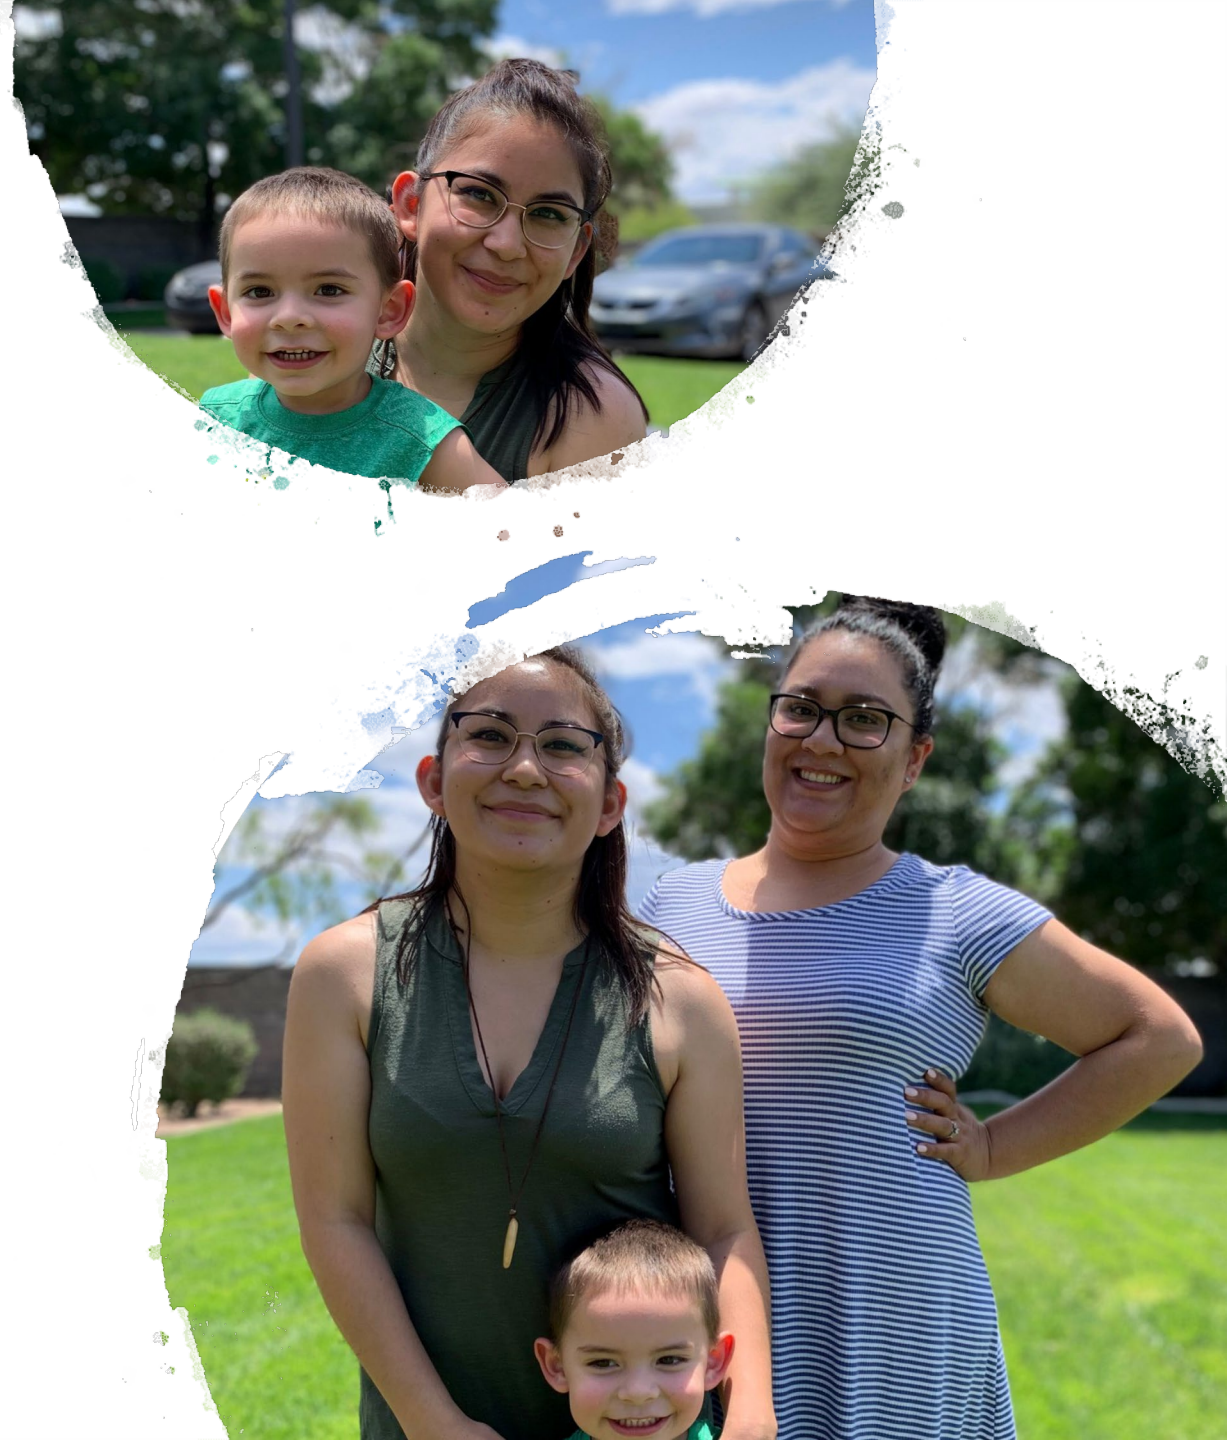

Parenting for Success Classes

- Provides parents and other caregivers with proven techniques that can help them:
 - Build stronger family relationships
 - Prevent and correct children's misbehavior
 - Improve children's positive behavior

In-Home Family Services

- Trained Family Consultants work directly with families in the home helping them to enhance their parenting skills, access community resources and build support systems so they can solve problems on their own.

Care Coordination Services

- Care Coordination Consultants work directly with families to offer a unique case management approach that connects families and youth to resources that enable them to create a safe, stable home environment.

LIFT Together & Well Managed Schools

HOW WE DO IT

In-Home Family Services

Working with parent(s) in their home to strengthen parenting skills

Positive Alternatives to Suspension

Working with students that are suspended or at risk of suspension on their behavioral and academic needs

Care Coordination

Connecting families to basic local resources, food, shelter, clothes, jobs

Administrative Intervention

Training for School Administrators

Parent Education

Helping parents build on their current skills to be more effective

Well-Managed Schools

Teacher Training to improve classroom behavior

- LIFT Together: A collaborative effort between Boys Town Nevada and Las Vegas community partners that addresses behavioral problems in children's and how they impact their family and classmates.
 - It's the only program in Las Vegas that provides support both in the school and in the home environment in order to generate community-wide impact.
- Well Managed Schools: Empowers educators to transform their school culture and create a safer, more effective learning environment.
 - Boys Town Education model trained educators can expect:
 - Increase on-task behaviors and student engagement.
 - Fewer behavior problems and out-of-class referrals.
 - Improved communication among all stakeholders
 - An inclusive learning environment.

Behavioral Health Clinic

- Trained children's psychologist offer a wide range of outpatient services for children of all ages.
 - Individual therapy
 - Family therapy
 - Psychological evaluations
