Additional Information

- NV CTSOs are endorsed by the U.S. Department of Education as co-curricular student leadership and career technical education programs.
- NV CTSOs are chartered by the Nevada Department of Education and endorsed as an essential component of career and technical education [in accordance with NRS 389.800](#).
- Each CTSO is a 501(c)(3) nonprofit organization that manage their corresponding charter in Nevada.
- The CTSOs do not discriminate against any person on the basis of race, color, national origin, sex, disability and age, and that they provide equal access to the Boy Scouts of America and other designated youth groups.

Career & Technical Student Organizations

FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education.

NEVADA
STATE ASSOCIATION

FCCLA promotes personal growth and leadership development through Family and Consumer Sciences Education. By focusing on the multiple roles of family member, wage earner, and community leader, members develop skills for life.

HOSA - Future Health Professionals is the organization for student leaders pursuing careers in the healthcare industry. HOSA's two-fold mission is to promote career opportunities in the health care industry and to enhance the delivery of quality health care to all people.

FBLA is the premier organization for student leaders preparing for careers in business, management, entrepreneurship, and technology. FBLA inspires and prepares students to become community-minded business leaders in a global society through relevant career preparation and leadership experiences.

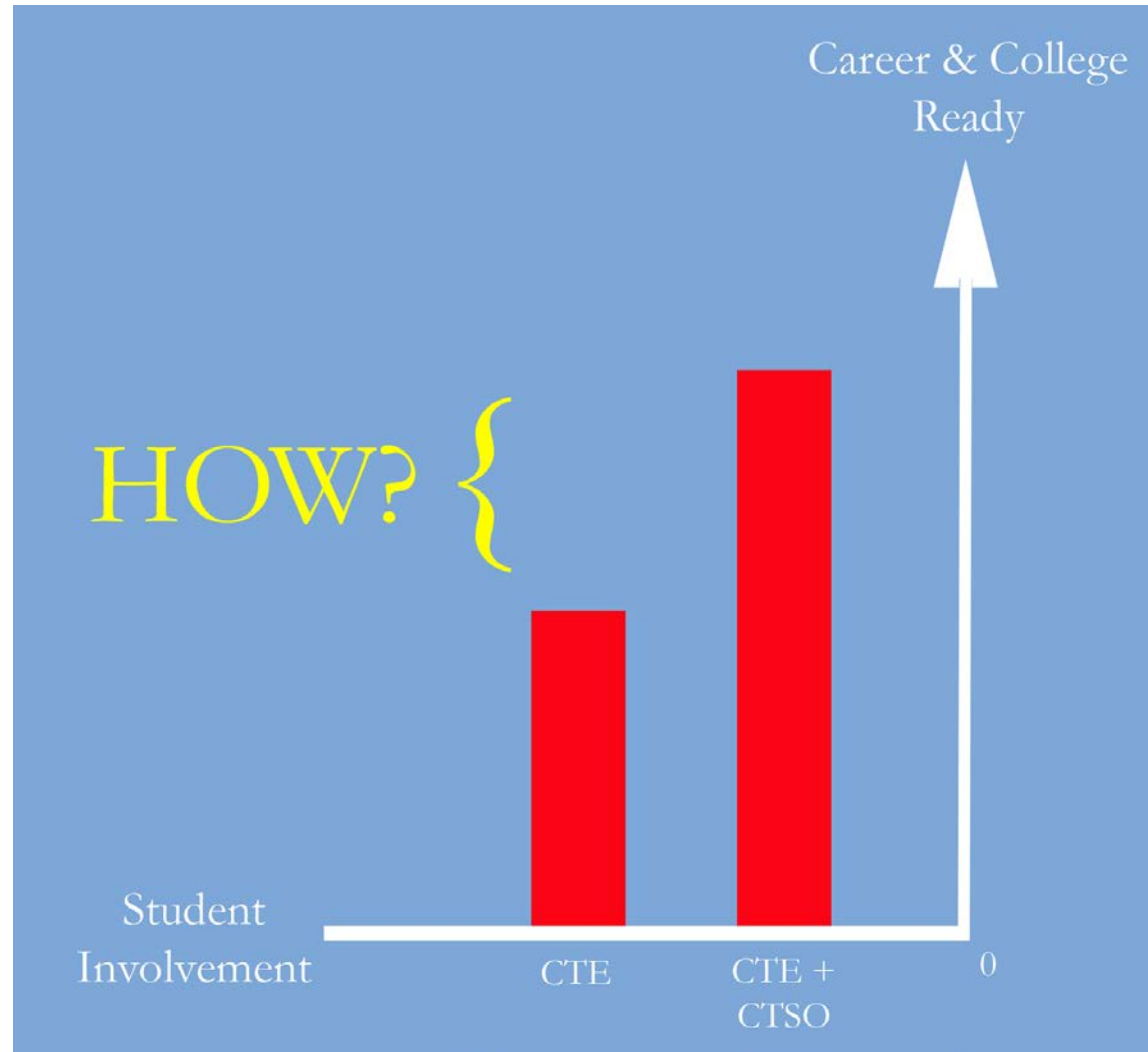

DECA prepares emerging leaders and entrepreneurs in marketing, finance, hospitality and management in high schools and colleges around the globe

SkillsUSA is a partnership of students, teachers and industry representatives, working together to ensure America has a skilled workforce. It help its members become world-class workers, leaders and responsible American citizens.

CTE + CTSOs = More College & Career Ready Students

How? – Impact of CTSOs

- Strengthen Nevada's future skilled workforce
- Grow Leaders
- Build Communities

Strengthen NV's Future Workforce

- **Industry Skills:** Over 1,200 volunteers and industry representatives assisted in conducting state competitive events focused on student skills and career development related to specific Nevada industries.
- **Relevant:** Students competed in 267 state career-based events that simulate real-life scenarios. The events were industry supported, aligned to Nevada Department of Education's standards, and supported Science, Technology, Engineering and Math (STEM) concepts.
- **Networking:** Students who attended a state training or competed in an event were able to meet adults and peers interested in similar career fields

2018-2019 Data

Build Communities

- **Service:** Students volunteered 19,450 hours at state CTSO events. Examples include food and clothes drives, collecting donations for charity, and working at food banks.
- **Student Voice:** Four hundred fifty three (453) students represented their local programs as voting delegates during the organizations' state policy meetings.
- **Travel:** State level activities offer an opportunity for students to travel throughout Nevada and expand their experiences and knowledge levels.

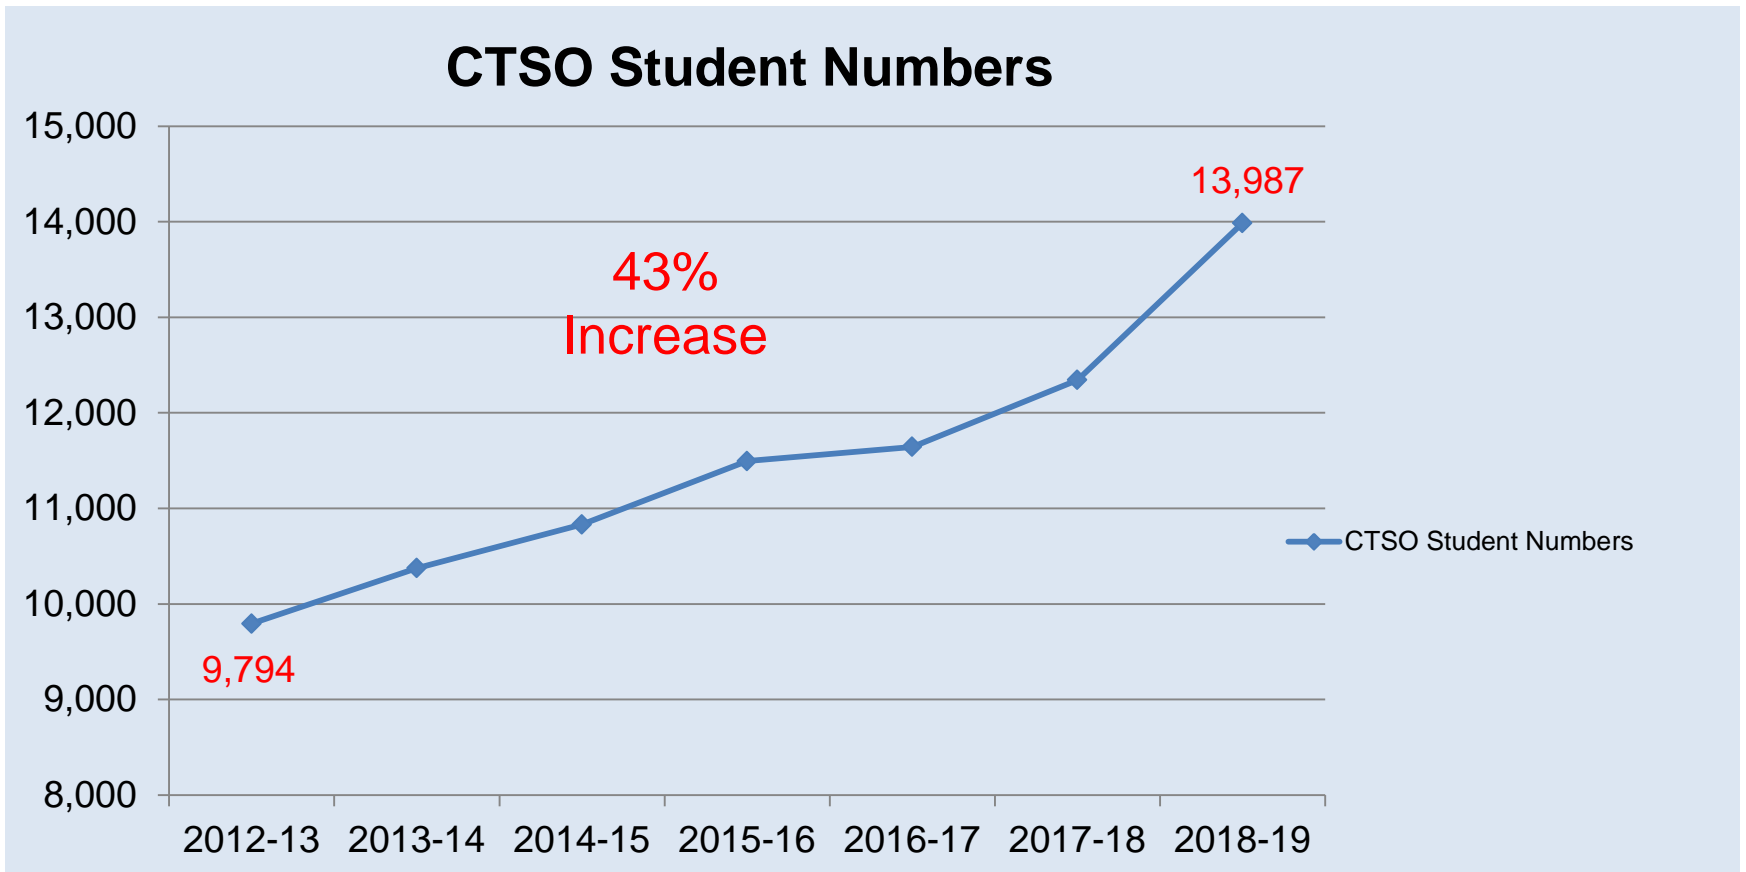

2018-2019 Data

Grow Leaders

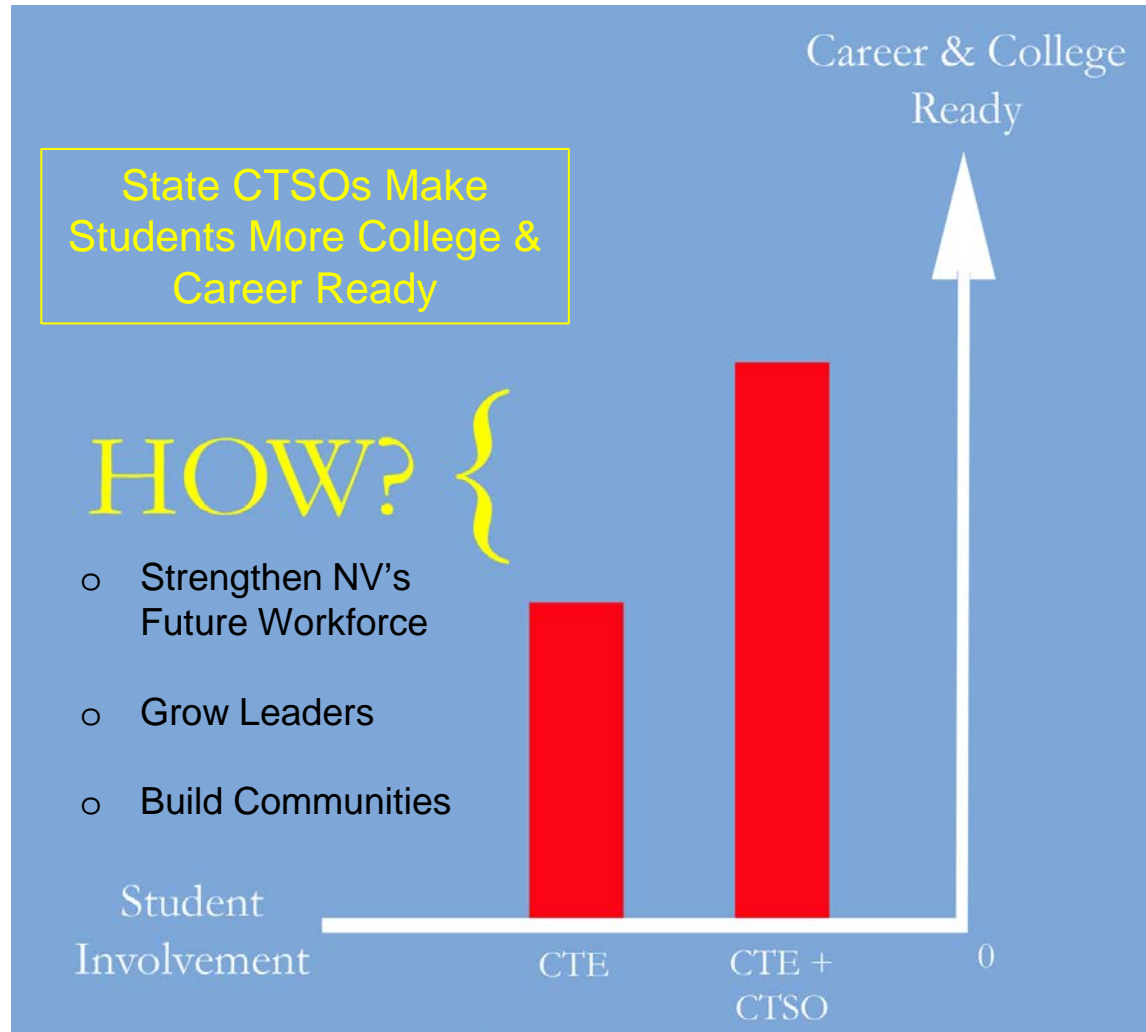

- **Public Speaking:** Over 5,000 students participated in regional/statewide speaking events such as prepared public speaking.
- **Teamwork:** Over 3,000 students competed in a team-based activity at a state event, learning how to work with multiple individuals toward a common goal.
- **Growth & Leadership:** Students attended 33 state level trainings focused on personal growth and leadership development, which equated to 52,655 hours of training.
- **Personal Success:** CTSO scholarships and awards at the state and national level encourage students to continue their career-path education and assume personal responsibility for their own career readiness.
- **Positive Role Models:** State officers spent 2,288 hours directly interacting with local students at schools and trainings.
