

November 15, 2019

Jhone Ebert
Nevada Department of Education
Superintendent of Public Instruction
700 East Fifth Street
Carson City, NV 89701

Ms. Ebert:

The Clark County School District (CCSD) would like to request approval from the Nevada State Board of Education for additional courses from the Nevada System of Higher Education (NSHE) for which high school credit can be granted. I would appreciate if these items could be considered for the December 12, 2019 Nevada State School Board Agenda.

This item, for high school credit for courses taken concurrently through the Nevada System of Higher Education for high school students, was approved by the CCSD Board of Trustees on November 14, 2019.

Attached is the CCSD board item with the courses that were approved for high school dual credit. Thank you for this consideration and processing of this board item. Please let me know if I can be of further assistance with this process.

Sincerely,

Amy Adams
College and Career Readiness Coordinator

CREDIT TOWARD GRADUATION FROM HIGH SCHOOL
FOR COURSES COMPLETED THROUGH THE NEVADA SYSTEM OF HIGHER EDUCATION

Nevada Revised Statute (NRS) 389.160 requires approval of courses for which high school credit is granted from both the Board of School Trustees of each county school district and the State Board of Education. Courses to be considered for dual credit are listed below. The dual credit courses listed below are in addition to courses previously approved by the Clark County School District Board of Trustees.

College	Course ID	College Credit	College Course Title	High School Credit	High School Credit Type
CRJ	107	3.0	Introduction to Ethics in Criminal Justice	1.0	Arts/Humanities/ Career and Technical Education
TCA	188	3.0	Special Events Planning	1.0	Arts/Humanities/ Career and Technical Education
FAB	167	2.0	Food Service Nutrition	0.5	Arts/Humanities/ Career and Technical Education
MT	130B	3.0	Introduction to the Natural Gas Industry	1.0	Arts/Humanities/ Career and Technical Education
MT	132B	3.0	Natural Gas Pipe Joining	1.0	Arts/Humanities/ Career and Technical Education
MT	134B	3.0	Natural Gas Line Locating and Leak Survey	1.0	Arts/Humanities/ Career and Technical Education

If approved, students will receive credit towards high school graduation from the Clark County School District and simultaneously receive college credit. The aforementioned courses will be designated as dual credit in school course catalogs.

Should the Clark County School District Board of Trustees not approve these courses for dual credit, students concurrently enrolled in these classes will not earn high school credit.

Discussion and possible action to approve high school dual credit coursework, aligned to the Nevada System of Higher Education, for the purpose of articulation, with no impact to the general budget, is recommended.
