

## **Nevada State Board of Education**

### **RE: Dual Credit Approval Request**

Nevada Connections Academy (NCA) is requesting approval for dual-credit courses between NCA and TMCC based upon a MOU that has been established between the two entities. The request is made in order to satisfy current statute and provide greater college/career readiness for our students. Please let me know if you have any questions or concerns.

Kind regards,

Chris McBride, Ph.D.  
Superintendent  
Nevada Connections Academy
