Dear Ms. Ebert,

On April 9, 2019, the Washoe County School District Board of Trustees approved the addition of the attached dual credit courses for academic credit offered by Truckee Meadows Community College, Sierra Nevada College, Western Nevada College, Great Basin College, and the University of Nevada Reno.

Please find attached the agenda, item 2.19, for the Washoe County School District Board Meeting and the courses to be offered for academic credit. Per 389.160 (2), State Board approval is required. Thank you for your help in getting this item placed on the agenda. You will find the credit we will be offering for each course and the type of credit applied toward graduation attached.

If you have any questions, please do not hesitate to contact me.

Thank you,
