Preschool Development Grant Match

During the **2015–16** school year, NDE worked with **7** sub-grantees in **5** high needs communities to expand the number of children participating in high-quality pre-k programs. In Year 1 of the grant, **782** 4-year-olds were enrolled in **27** different sites. It is anticipated that **1,780** 4-year olds will be served in **54** different sites during Year 2 of the grant.

Read by Grade Three (SB 391)

The Legislature appropriated **\$30** million over the biennium for RBG3. There are **307** school sites currently being served through RBG3 grants.
