August 12, 2019

Ms. Ebert, Nevada Superintendent of Public Instruction:

RE: Nevada Board of Education Dual Credit Approval for the Elko County School District

In accordance with NRS 389.160, this letter will serve as the official Letter of Intent for courses being offered as dual credit within the Elko County School District for school year 2019-2020 in our continued partnership with Great Basin College.

The attached list of dual credit courses was approved by the Elko County School District Board of Trustees on July 23rd, 2019 at the Elko County School District Central Office Building. Official minutes of that meeting are also attached. We are requesting that the State Board of Education approve the attached proposed dual credit courses during the next State Board Meeting. This approval would greatly benefit the students of the Elko County School District by increasing course offerings for our students, creates a learning environment that is conducive to college readiness, and provides an additional avenue for the attainment of College and Career Readiness graduation requirements.

Thank You,

Christopher McAnany

Director of Secondary Education

Elko County School District
