

Nevada Equity Literacy Definition Survey

Based on the Every Student Succeeds Act (ESSA), which reauthorizes the Elementary and Secondary Education Act of 1965 (ESEA), the Nevada Department of Education must describe the steps that it will take “to ensure that poor and minority children are not taught at higher rates than other children by inexperienced, unqualified, or out-of-field teachers, and the measures that the [SEA] will use to evaluate and publicly report the progress of the [SEA] with respect to such steps” (ESEA section 1111(b)(8)(C)).

Our Core Equity Team has crafted a working definition of Equity Literacy and would like to take this opportunity to get your feedback. Included in our presentation is a draft of our Executive Summary to provide you with context.

Our request is that you take a few minutes to provide your responses to our survey. Your opinion matters so we value your thoughtful responses to the six survey questions. [Equity Literacy Working Definition Survey](#)
