## **NRS 391.460 Recommendations to State Board concerning statewide performance evaluation system; authorization to establish working groups and task forces.**

1. The [Teachers and Leaders] Council shall:
  - a) Make recommendations to the State Board concerning the adoption of regulations for establishing a statewide performance evaluation system to ensure that teachers, administrators who provide primarily administrative services at the school level, administrators at the district level who provide direct supervision of the principal of a school, and who do not provide primarily direct instructional services to pupils, and other licensed educational personnel, regardless of whether licensed as a teacher or administrator, including, without limitation, a principal and vice principal are:
    - 1) Evaluated using multiple, fair, timely, rigorous and valid methods, which includes evaluations based upon pupil growth as required by NRS 391.465;
    - 2) Afforded a meaningful opportunity to improve their effectiveness through professional development that is linked to their evaluations; and
    - 3) Provided with the means to share effective educational methods with other teachers, administrators and other licensed educational personnel throughout this State.
