

## Teachers and Leaders Council Recommendations for the 2019 Legislative Session

1. **Statute Updates:**
  - a. Add statute related to OLEP and principal supervisors that mirror those in place for teachers and administrators e.g. NRS 391.485, 680, 685, 690, 695
  - b. NRS 391.725: Remove 'developing' when used in conjunction with ineffective that would result in punitive repercussion for those whose ratings fall under that designation.
  - c. NRS 391.730: Remove subsection 1.
2. **Student Learning Goal:** Change the weight of the Student Learning Goals (SLG) to 20% with adjusted weights in the educational practice domain. Instructional [Leadership] Practice would account for 60% and Professional Responsibilities would account for the remaining 20%.
3. **Tech-based system:** Support funding for a streamlined technological statewide tool for NEPF implementation aligned with PD offerings
4. **Regional Professional Development Programs:** Continue to support and fund RPDP for ongoing professional development aligned to the NEPF for educators and administration
5. **Evidence of Impact and Validity Study:** Support funding and authority for an evidence of impact and validity research study of the NEPF
