FROM: Will Jensen, Director, Office of Inclusive Education *wj*

DATE: June 10, 2021

SUBJECT: Individuals with Disabilities Education American Rescue Plan Act funding

Good afternoon,

On Thursday, March 11, 2021, President Biden signed into law the American Rescue Plan (ARP) Act, which will deliver critical aid to States, as the country continues to recover from the COVID-19 pandemic. As part of this aid, the table below lists amounts appropriated for IDEA programs per Local Education Agency.

We are currently working with ePAGE to create a separate funding application to manage these funds. More guidance will be forthcoming, but we wanted you to have the allocation amounts for planning purposes.
