**MEMORANDUM**

**TO:** Nevada State Board of Education

**FROM:** Craig Statucki  
Director, Office of Career Readiness, Adult Learning, and Education Options

**DATE:** September 23, 2021

**SUBJECT:** State Funding for Career and Technical Education: Report of State and Local Activities and Expenditures Fiscal Year 2020

---

When reviewing the “State Funding for Career and Technical Education: Report of State and Local Activities and Expenditures Fiscal Year 2020”, it was discovered by the Office of Career Readiness, Adult Learning, and Education Options (CRALEO) staff that some pages included disaggregated data at the school and CTE Program of Study level that was below acceptable reporting limits. This included the performance of special populations on CTE Assessments and other details that needed to be suppressed. As a result, some data on pages 25, 27, 30, 32, 33, 58, 59, 61, 62, 64, 66, 68, 70, 82, 106, 137, 188, 219, and 223 has been replaced with an “n” indicating either that a number was below acceptable reporting limits (10) or that the combination of the number and the associated percentage would lead to a number below acceptable reporting limits. Minimal additional editing has been done to ensure that student privacy is protected.
