

Nevada Commission on Mentoring (NACOM)

National Affiliate Definition

NACOM will operationally define “National Affiliate” as an organization(s) or individual(s) that have developed an “official attachment” relating to the business of mentoring with regard to Mental Health and Family Wellness, Criminal Justice and Employment, and Academic Capacity Building. Official attachment will refer to a binding understanding through an established Memorandum of Agreement that couple specific “affiliate expected outcomes” to “fiscal compensation or support” for services.
