 - NRS 387.303: Removes the requirement to report expenditures associated with the purchase of books, computer hardware, and software for each grade level

Next Steps

Follow up with subject matter experts to review additional reporting requirements including:

- A comparison of additional current reporting requirements to SB543 not covered in today's presentation
- Review of exemplar reports from other states to support integration of existing reports with new requirements
- Develop guidance for school districts and individual schools regarding programmatic reporting requirements in SB 543
