**NEVADA DEPARTMENT OF EDUCATION
PUBLIC BROADCASTING BASE CERTIFICATION**

To be completed by **both primary and secondary stations** applying for funding distribution.

1. Base Certification

_____, the licensee of _____
(Licensee name) (call letters)

hereby certifies that it meets the below listed eligibility requirements in order to receive funding through the Nevada Department of Education. Please check the box for each requirement to denote compliance.

- A. Is licensed by the Federal Communications Commission (FCC) as a non-commercial, educational station or is licensed by the FCC for the operation of a low power television or radio station and broadcasts exclusively on a non-commercial basis.
- B. Is licensed to a community within the State of Nevada and has been in operation for at least one year.
- C. Operates with a power and antenna height sufficient to cover its service area with a primary strength signal.
- D. Broadcasts a schedule of at least eight (8) hours per day devoted primarily to programming of high quality which serves demonstrated community needs of an educational, cultural and informational nature. Stations who air any programming that furthers the principles of particular political or religious philosophies and/or programming designed primarily for in-school or professional in-service audiences **are not eligible**.
- E. That any funds received through state funding by the licensee will be used solely for the benefit of an eligible public broadcasting station and not for general institutional overhead or parent organizational expenses.
- F. That state funds received through passage of this appropriation will not supplant other licensee funding or cause to be reduced any other source of funding for the station.
