(Section 8 of Assembly Bill No. 194, chapter 196, Statutes of Nevada 2021, at page 924 (NRS 392.4609)) Existing law requires the board of trustees of each school district and the governing body of each charter school and university school for profoundly gifted pupils to adopt a policy allowing a pupil or, if the pupil is under 18 years of age, the parent or legal guardian of the pupil to appeal the suspension or expulsion of the pupil. The policy must provide, without limitation, that: (1) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, may authorize the suspension or expulsion of a pupil within the timeline established by the Department; (2) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, is required to notify the pupil and the parent or legal guardian of the pupil, as applicable, of the suspension or expulsion, of the right to appeal the suspension or expulsion and information on the appeal policy; (3) the pupil or the parent or legal guardian of the pupil, as applicable, is authorized to appeal the suspension or expulsion within the timeline established by the Department; and (4) the board of trustees of the school district or the governing body of the charter school or university school, or a designee, as applicable, is required to schedule a hearing on an appeal within the timeline established by the Department.
