

## Correlation Directory Career and Technical Secondary Endorsement

NAC 391.134

A person who holds a career and technical education secondary endorsement may:

1. Provide instruction in the areas of career and technical education included in the specific programs stated in his endorsement; and
2. Teach an academic subject if it is:
  - a. Related to an area of career and technical education which his endorsement allows him to teach; and
  - b. Necessary to achieve success in the instruction of that area of career and technical education.

Any person holding a Secondary Career and Technical Education endorsement may also be assigned the following: 00551 Career Education, 00525 Cooperative Occupational Education, and 000526 Work Experience. If a person has the following Career and Technical Secondary endorsements, he/she can teach the following assignments:
