SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608

DATE: August 29, 2022

RE: Workshop to Solicit Comments on Proposed Temporary Amendments to NAC Chapter 391.056 – Provisional nonrenewable licensure: Qualifications; term of validity; addition of endorsements.

I, Jhone M. Ebert, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation regarding provisional nonrenewable licensure is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed, and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

Jhone M. Ebert
Superintendent of Public Instruction

(I) Has completed all necessary course-work requirements for the school counseling endorsement;

(II) Has completed 200 hours of the practicum or internship through a regionally accredited college or university, including, without limitation, a minimum of 100 hours in a school setting at the time of his or her application for licensure; and
