July 10, 2020

Jhone Ebert
Superintendent of Public Instruction
Nevada Department of Education
700 East Fifth Street
Carson City, NV 89701

Dear Superintendent Ebert,

On June 9, the Washoe County School District Board of Trustees (WCSDBOT) approved the addition of dual credit courses from colleges and universities within Nevada to be offered as dual credit courses in the Washoe County School District. Both the meeting agenda, item 2.05, and the list of new dual credit courses are included. Stated in the board report was that after the WCSDBOT approval of the dual credit courses the same would be submitted to the Nevada State Board of Education for approval per NRS 389.160.

Additionally, on July 21, 2020, the WCSDBOT, will have the new memorandum of understanding with College of Southern Nevada to offer dual credit courses to Washoe County School District students and an additional course CS302: Data Structures presented to them. If approved, we would like to have those considered by the State Board of Education as well.

Please consider this letter as a request to place this item on State Board of Education consent agenda for approval.

Thank you,

A handwritten signature in black ink that reads "Bryn E. Lapenta, Ed.D.".

Bryn Lapenta, Ed.D.
Senior Director
Washoe County School District
