PURSUANT TO NRS 233B.0608

DATE: September 30, 2021

RE: Workshop to Solicit Comments on Proposed Amendments to NAC Chapter 388.XXX and 389.XXX which pertain to regulations for academic subjects in social studies, integrating civics, financial literacy, and multicultural education, and aligning with high school graduation requirements as required by Assembly Bill 19 (2021).

I, Jhone M. Ebert, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation regarding Academic Subjects in Social Studies is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed, and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.
