# Overarching Vision

- **Alignment of program resources** both to LEA goals and critical areas identified by the SEA
- **Eliminate or reduce redundancies** that currently exist between separate Consolidated Federal applications
- **Coordination of key data points** to help inform areas of opportunity

# 3 LEAs were identified...

- **Nye County School District (NCSD)**
- **Douglas County School District (DCSD)**
- **Washoe County School District (WCSD)**

# Pilot Specific Sections/Features

- **District Consolidated Plan**
  - Needs Assessment
  - Prioritized Needs and Goals
  - Key LEA Strategies
  - Consolidated Program Budget Matrix
- **New Budget Meta-Tag**
  - SEA Critical Area of Alignment

# Pilot FY20 Q1 Updates

- Six self-paced training modules were developed to help support LEA Consolidated grant ePAGE users through the launch of FY20 ePAGE enhancements.
  - The sixth module was focused on the pilot enhancements: [FY20 ePAGE Pilot Enhancements](#)
- The three LEAs all have APPROVED R0 Consolidated Federal Applications.
  - *Do any of the Pilot LEAs have initial feedback to share?*
- A short Consolidated Application user experience survey will be sent out later this month (to all LEAs).
