Nevada State High School (NSHS) requests approval from the Nevada State Board of Education for additional courses from the College of Southern Nevada (CSN), Great Basin College (GBC), Truckee Meadows Community College (TMCC), Western Nevada College (WNC), the University of Nevada Las Vegas (UNLV), and the University of Nevada Reno (UNR) for high school credit. The NSHS Governing Body has reviewed and approved the addition of the courses listed below for inclusion on the NSHS Dual Enrollment Credit Correlation list. The Course IDs include a hyperlink to the details from the respective college course catalogs. Please see included agenda and draft minutes as evidence of Governing Body approval and current Memoranda of Understanding with CSN, GBC, and TMCC.

We appreciate consideration of this item at the next scheduled Nevada State Board of Education meeting. Please reach out if you have any additional questions.

Sincerely,

Dr. Jesse Welsh, Chief Executive Officer

DUAL ENROLLMENT PROGRAM

**This Memorandum of Understanding (MOU) is made and entered into by and between
THE BOARD OF REGENTS OF THE NEVADA SYSTEM OF HIGHER EDUCATION,
on behalf of
THE COLLEGE OF SOUTHERN NEVADA
And
NEVADA STATE HIGH SCHOOL**

The Nevada State High School (NSHS) and College of Southern Nevada (CSN) referred to individually as a “party” or collectively as the “parties.”

WHEREAS, NSHS is a Nevada charter high school offering unique secondary educational opportunities to its students; and

WHEREAS, the Parties are willing to facilitate for selected NSHS students a limited opportunity for enrollment in higher education courses at CSN; and

WHEREAS, the Nevada System of Higher Education (NSHE) Handbook, Title 4, Chapter 16, Section 2 provides for, in relevant part:

Dual-and Early Enrollment for High School Students

1. High school students may enroll in an NSHE college or university, subject to the approval of appropriate institution officials.
2. The term “high school student (s)” includes students enrolled in a Nevada public or private high school, students enrolled in grades 9, 10, 11, and 12 in a charter school in Nevada, and students formally enrolled in a Nevada school district sponsored program designed to meet the requirements of an adult standard diploma.

NOW, THEREFORE, the Parties agree as follows:

I. Term and Purpose

- a. CSN through its Office of Academic Affairs will oversee the administration, instruction and educational requirements for the Certificate of Achievement and Associate Degree programs offered to NSHS students pursuant to this MOU. Any NSHS student, who graduates with a Certificate of Achievement or an Associate degree, may participate in the formal ceremonies of CSN, as applicable.
- b. The term of this MOU shall be December 22, 2022, through December 21, 2027, unless terminated earlier under the provisions of this MOU. Notwithstanding the foregoing, either party may terminate this MOU without cause upon thirty (30) days written notice to the other party, and any NSHS student will be able to complete the course(s) they are enrolled in pursuant to this MOU at the time of the written notice.

DUAL ENROLLMENT PROGRAM

II. Admission and Enrollment at CSN Pursuant to this MOU

Student Selection & Admissions

The selection of the NSHS high school students that will be able to enroll in CSN dual enrollment study courses pursuant to the terms of this MOU is exclusively reserved to NSHS and must be approved by CSN. Both parties will coordinate to verify that selected students qualify for admission and enrollment pursuant to the terms of this MOU and applicable NSHE standards. Each first-time NSHS student must complete the CSN on-line admission form. The completeness and accuracy of the admissions form is the responsibility of the student.

New Student Orientation

Each first-time NSHS student must participate in a mandatory in-person or online Student Orientation. There is no cost for this orientation and must be completed before scheduling an appointment with a CSN academic advisor or registering for classes.

Placement Evaluations

Every NSHS student must prepare for and complete the Math and English placement assessments, with the exception of students with a transferable NSHE Math or English course or where SAT/ACT are available and can be used for placement according to CSN policy. Information regarding these placement assessments can be found at www.csn.edu/testing.

Academic Advisor/Success Coach/Counseling

NSHS students must meet with a CSN academic advisor or success coach before registering for their second semester classes at CSN. NSHS students can receive counseling services to the same extent as regular CSN students.

Locations

CSN will only offer academic courses and other coursework at established CSN campuses and CSN learning sites.

Class Schedule

NSHS students will be required to attend the selected classes on the dates, days, and times that these classes are scheduled as per the official CSN academic calendar. No classes will be scheduled for NSHS students outside of the official CSN academic calendar.

Limitation on Number of Credit Hours Each Semester

NSHS students enrolled pursuant to the terms of this MOU will be limited to a maximum of eighteen (18) credit hours each fall and spring semester at CSN. NSHS students may take up to nine credits during the summer term at CSN.

Selection of Courses

While there is no restriction on the type of course that a NSHS student may enroll in, each NSHS student's course selection must be approved by NSHS in consultation with the student, CSN's academic advisor/success coach and must be consistent with the results of any placement tests or prerequisites established by CSN. Any consultation will include discussion about the advisability for a particular student to enroll in an online class in contrast to a class taught at one of CSN's campuses or centers.

DUAL ENROLLMENT PROGRAM

Course Textbooks

Required texts will be selected by CSN in accordance with the CSN approved adopted textbook list. NSHS students will be responsible for the purchase of required course textbooks and materials.

Credits to be Awarded

Upon successfully completing a course in the dual enrollment program, the NSHS student will receive the corresponding credit amount listed in the CSN course catalog at CSN and credit for a course at NSHS.

Applicability and Transferability of College Credit

CSN courses are part of the NSHE common course numbering system and transfer among all NSHE institutions. All credits earned at CSN by a NSHS student must be applied toward a credentialed degree or certificate at CSN.

Academic Plans

Pursuant to NRS 388.205, NSHS will establish an academic plan for each NSHS student enrolled in the dual enrollment program.

Student Identification Number

NSHS will utilize students' NSHE number as the unique identification number for each student in the dual enrollment program.

Student Records

Both parties will each be responsible to initiate and maintain their respective student records for the courses that they award credit. Both parties will comply with the Family Educational Rights and Privacy Act (the Buckley amendment) of 1974 (20 U.S.C. § 1232g; 34 CFR Part 99). A NSHS student must sign a FERPA document before CSN will release any academic records to the NSHS executive director or anyone other than the student.

Compliance with CSN's Policies

NSHS students enrolled in classes at CSN pursuant to this MOU are subject to all of CSN's policies.

Student Transportation

CSN will have no role in the transportation of NSHS students either to or from any CSN facility.

Continued Eligibility for Interscholastic Activities at (NSHS)

NSHS students in the dual enrollment program will be eligible to participate on sports teams and interscholastic activities in their zoned school provided that they maintain the required GPA and attendance standards set by NSHS.

III. Fees

- a. NSHS is responsible to pay for all fees applicable to NSHS students enrolled at CSN. CSN will charge via CSN invoice within thirty (30) days of the start of the courses and NSHS will remit payment of fees within thirty (30) days receipt of CSN's invoice, for each student enrolled in CSN courses pursuant to section II above. NSHS may pursue grants and other funding opportunities to help support their students in the dual enrollment program.

DUAL ENROLLMENT PROGRAM

- b. The Board of Regents of NSHE govern all CSN fees and may change during the time this MOU is in effect. Any changes in fees noticed by CSN, shall be remitted on a prospective basis by NSHS for newly enrolled students.
- c. NSHS must verify all fees with CSN Director of Student Accounts and Cashiering Services by December 31st of a current school year to go into effect for the following school year. Notwithstanding any other provision herein, CSN will not allow any further NSHS student enrollment pursuant to this MOU if there is an outstanding CSN invoice that has not been paid. Refunds will be handled based upon the Board of Regents approved policy found in Chapter 7 of the Nevada System of Higher Education Procedures and Guidelines Manual. The following is a link to the manual: [Chapter 07 - Fees and Tuition.pdf \(nevada.edu\)](#)

IV. Miscellaneous Provisions

Governing Law.

This MOU will be governed by and interpreted according to the laws of the State of Nevada and the Nevada Board of Regents handbook.

Severability and Waiver.

The partial or complete invalidity of any one or more of the provisions of this MOU will not affect the validity or continuing force and effect of any other provision. The failure of a Party hereto to insist in any one or more instances upon the performance of any of the terms, covenants or conditions of this MOU or to exercise any right herein, will not be construed as a waiver or relinquishment of such term, covenant, condition or right with respect to further performance.

Entire Agreement.

This MOU is intended solely for the benefit of the Parties hereto, represents the entire, integrated agreement between the Parties, and supersedes all prior negotiations, representations, or agreements, written or oral.

Waiver or Modification Ineffective Unless in Writing.

No waiver, alteration, or modification of any provision of this MOU will be binding unless in writing and signed by duly authorized representatives of the Parties to the MOU.

Designated CSN Representatives.

CSN representatives and NSHS Administrators will collaborate on all articulation efforts and agreements for all NSHS students.

Written Notices.

Unless notified to the contrary, all notices required by this MOU will be sent to the Parties at the addresses set below:

**MEMORANDUM OF UNDERSTANDING BETWEEN
BOARD OF REGENTS, NEVADA SYSTEM OF HIGHER EDUCATION ON BEHALF OF
GREAT BASIN COLLEGE AND NEVADA STATE HIGH SCHOOL (NSHS)**

**AGREEMENT AND PROPOSAL FOR THE DELIVERY OF LOWER DIVISION
COURSEWORK TO NEVADA STATE HIGH SCHOOL**

Board of Regents, Nevada System of Higher Education on behalf of Great Basin College (GBC) desires to work together with the Nevada State High School (NSHS) to offer college courses that qualify for dual credit to NSHS students Nevada State high school during and after public school hours. This agreement replaces the previous agreement and describes the mutual understanding of GBC and NSHS. This agreement will be reviewed, and revisions made as necessary. Any renewal will be subject to further negotiation and agreement.

The following statutes supply the legislative mandate for dual credit:

NRS 389.160 Credit toward graduation from high school for courses taken at community college, state college or university.

1. A pupil enrolled in high school, including, without limitation, a pupil enrolled in grade 9, 10, 11 or 12 in a charter school or a pupil enrolled in a program designed to meet the requirements of an adult standard diploma, who successfully completes a course of education offered by a community college, state college or university in this State which has been approved pursuant to subsection 2, must be allowed to apply the credit received for the course so completed to the total number of credits required for graduation from the high school or the charter school in which the pupil is enrolled or the credits required for receipt of an adult standard diploma, as applicable.

2. With the approval of the State Board, the board of trustees of each county school district and the governing body of each charter school shall prescribe the courses for which credits may be received pursuant to subsection 1, including occupational courses for academic credit, and the amount of credit allowed for the completion of those courses.

3. The State Board must not unreasonably limit the number of dual credit courses in which a pupil may enroll or for which a pupil may receive credit.

And

NRS 389.310 Programs for dual credit courses; reports.

1. Each school district and charter school shall establish a program for dual credit, or partner with another school district or charter school that has already established a program for dual credit, whereby pupils enrolled in the school district or charter school may enroll in a dual credit course at a community college, state college or university that has been approved for dual credit pursuant to [NRS 389.160](#). Any credits earned by a pupil for the successful completion of a dual credit course must be applied toward earning a credential, certificate or degree, as applicable, at the community college, state college or university.

2. On or before December 1 of each odd-numbered year, the board of trustees of each school district and the governing body of each charter school shall submit a report on its program for dual credit established pursuant to subsection 1 to the Legislative Committee on Education and the Director of the Legislative Counsel Bureau for transmission to the next regular session of the Legislature. The Department, in consultation with the Board of Regents of the University of Nevada, school districts and charter schools, shall adopt regulations prescribing the information the report must include. The report may include, without limitation:

- (a) The number of pupils enrolled in the program;
- (b) A list of the courses in which pupils enroll;
- (c) The number of pupils enrolled in each course;
- (d) The demographics of the pupils enrolled in the program, including, without limitation, race, ethnicity, gender identity or expression, grade level and eligibility for free or reduced-price lunch pursuant to 42 U.S.C. §§ 1751 et seq.;
- (e) The cost to the school district or charter school for establishing and maintaining the program;

Concept:

During the traditional school day and after regular public-school hours, NSHS students may earn dual credit for courses taken at GBC that qualify for college credit from a common menu of courses. NSHS students may enroll in an approved course at GBC and receive both high school and college credit. All appeals may be made, IN ADVANCE, to Student Accounting. The process for receiving high school credit for a college course is governed by NRS 389.160.

The following guidelines must be applied in all cases:

Courses Available:

- College/Community College courses may be taken for college credit only, high school credit only (in the case of remedial college courses) or for dual (high school/college) credit.
- Any course offered through GBC and approved by the Nevada System of Higher Education is available for dual credit. Community Service courses are not available for dual credit.

Who may take Dual Credit Courses:

- Dual credit courses are available only to high school freshman, sophomores, juniors, and seniors.

Credit for Dual Credit Courses:

- Only courses on the List of Approved Dual Credit Courses may be taken for dual credit.
- A dual credit course may be applied as either academic or elective high school credit. The dual credit type for each course is denoted on the List of Approved Dual Credit Courses.
- Dual credit grades will apply to the student's high school transcript unless the student withdraws the dual credit application by the tenth day of the high school semester.
- The high school student earns 1.0 high school credit per one-semester for each college course taken and passed.
- The grade a student earns in a dual credit course will be figured into the student's total high school GPA.
- Dual credit courses adhere to the student's academic plan requirements set forth in NRS 388.205.
- Honors credit may be assigned to all GBC dual credit courses with the exception of physical education.
- Advanced Dual Credit (ADC) may be assigned to any GBC dual credit courses listed as a course receiving ADC credit on the List of Approved Dual Credit Courses. The Department of Curriculum and Instruction will make the determination as to what qualifies for an equivalent course.

Process:

- 11th or 12th grade students choosing to take any college course for college or dual credit must submit an application online using the GBC Application for Admission; 9th or 10th grade students must complete the GBC Early Admission Form.
- Dual credit will not be awarded retroactively.

Responsibility of the student:

- Request, complete, and submit the appropriate form(s) prior to enrolling in a college class (NRS 389.300);
- High school students are responsible for all expenses incurred by taking a dual credit course, including books, and fees, and are eligible for many college services such as tutoring, counseling, library use, financial aid, etc.

**MEMORANDUM OF UNDERSTANDING BETWEEN
BOARD OF REGENTS, NEVADA SYSTEM OF HIGHER EDUCATION ON BEHALF OF
GREAT BASIN COLLEGE AND NEVADA STATE HIGH SCHOOL (NSHS)**

- Meet all college pre-requisites for the dual credit course;
- Provide verification of enrollment in the college course to the high school;
- Abide by all GBC institutional policies and procedures:
- Inform the high school if he/she drops the college class during the semester (college classes dropped anytime within the semester will not have the course posted to the transcript. Students who wish to drop a Dual Credit course which is part of the academic load requirement must consult with his/her counselor to ensure that the academic load requirement is met):
- Request a copy of the college transcript at the end of the semester and present it to the high school registrar before the end of the third week of the next high school semester (Students who do not provide a transcript by this date will not have the course recorded on their transcript. The course will be added to the high school transcript when the transcript is provided):
- Provide his/her own transportation: and
- Determine if dual credit earned through this program will transfer to another institution of higher education.
- Notify GBC Transition Outreach to develop an ADA plan for supports offered by GBC if the student has an Individualized Education Plan or 504 Plan through Nevada State High School.

Responsibility of the high school:

- Advise the student if the courses will apply to the number of credits required for graduation, including developing an academic plan for the student (NRS 389.310 [2d]).
- Enter course number 8405 (1-2 credits) / 8406 (3-5 credits) for regular dual credit, 8404 for Honors dual credit, or 8421 for Advanced Dual Credit on the student's schedule.
- Enter the title of the course taken for dual credit.
- Post the dual credit course on the student's high school transcript within 3 weeks of completion of the course. Update the student's high school transcript when presented with a transcript from GBC.
- Consider athletic eligibility based on grade point average, total number of concurrent courses taken and any other requirements of the Nevada Interscholastic Activities Association (NIAA).
- No employee or contractor of NSHS may perform any in-person work under this agreement on property owned or leased by GBC or NSHE unless such employee or contractor has first received a complete Covid-19 vaccination series, as that term is defined in NSHE Code, Title 2, Ch. 12, Sec.4(c).
- Pay for all tuition fees applicable to (NSHS) students enrolled at GBC. GBC will charge via GBC invoice no earlier than within thirty (30) days of the start of the courses and (NSHS) will remit full or partial payment of no less than 50% of all fees within thirty (30) days receipt of GBC's invoice, for each student enrolled in GBC courses. (NSHS) will reconcile full payment by no later than the 10th day of December and April respectively for the fall and spring semesters. (NSHS) may pursue grants and other funding opportunities to help support their students in the dual enrollment program.

Responsibility of GBC:

- Comply with FERPA regulations.
- Comply with ADA regulations.
- Refund tuition pursuant to the refund policies of GBC if the student elects to drop a course or if the student is administratively dropped.
- Meet the obligations of the Americans with Disabilities Act and as such work with students to develop an ADA plan that may or may not include modifications. Unlike a student's high school, GBC is not required to provide Free Appropriate Public Education for students with disabilities.
- Use the Nevada System of Higher Education (NSHE) student identification number as a unique identification number and retain that number as required by NRS 389.310(2) (e-f).
- Provide an unofficial transcript to the student's high school with pupil permission, no less than 3 weeks after the end of the term in which the dual credit course was taken.
- Apply credits earned by the pupil for the successful completion of a dual credit course toward earning a

credential, certificate or degree at the community college, state college or university that provides the dual credit course, as required by NRS 389.310 (2)(b). Remedial courses are not considered dual credit.

Program Characteristics

A menu of courses identified by each institution will be offered to NSHS. These courses will be approved by Student Accounting before being offered to students.

Curriculum and Course-taking Pattern

Students must meet all prerequisites as stated in the GBC Course Catalog to enroll in a GBC course. Qualified NSHS students may enroll in up to five courses per academic semester. The curriculum of the college level courses taken by high school students as part of their dual enrollment programs will be the same as regular college students.

Course Selection

Course selection will be made from the List of Approved Dual Credit Courses offered in NSHS. NSHS will receive a yearly update of the GBC changes to the course catalog so that additions, deletions, and modification to courses can be made according to the GBC course catalog.

Review and Update of Course Offerings

By March 1 of each year, GBC will update and notify NSHS of any course changes in their course catalog so that any approved courses may be added, deleted, or modified if needed and have these changes approved for the upcoming school year. This list will be subsequently presented to the Board of Trustees and the State Board of Education for approval.

Term

The term of this agreement is five years beginning on the date the last party signs.

Governing Law and Jurisdiction

The laws of the state of Nevada shall be used to interpret this agreement. The district courts of the State of Nevada shall have jurisdiction over any dispute arising under this agreement.

MEMORANDUM OF UNDERSTANDING
BETWEEN NEVADA STATE HIGH SCHOOL AND
BOARD OF REGENTS OF THE NEVADA SYSTEM OF HIGHER EDUCATION,
ON BEHALF OF TRUCKEE MEADOWS COMMUNITY COLLEGE,
FOR DELIVERY OF LOWER DIVISION COURSEWORK
TO NEVADA STATE HIGH SCHOOL STUDENTS
PURSUANT TO NRS 277

This Interlocal Agreement, herein referred to as "Agreement", made and entered into this 1st day of July, 2022, by and between Nevada State High School, herein referred to as NSHS, and the Board of Regents of the Nevada System of Higher Education, on behalf of Truckee Meadows Community College, herein referred to as TMCC, provides for the administration and operation of the TMCC Jump Start program, located at 7000 Dandini Blvd., Reno, Nevada, owned and operated by TMCC.

This agreement is established for a two-year period, to expire in June 30, 2024, and replaces the agreement dated 2018-2021.

This agreement will be reviewed and revisions made as necessary, any time before the expiration date, with mutual agreement of both entities. Any renewal on or before June 2024 will be subject to further negotiation and agreement.

WITNESSETH:

WHEREAS, NSHS and TMCC are mutually committed to promoting student success and improving the college readiness of students, and

WHEREAS, NSHS and TMCC are mutually committed to raising the graduation rate of NSHS through cooperative programs, and

WHEREAS, NSHS and TMCC are mutually interested in students completing college work while still in high school,

NOW, THEREFORE, in consideration of the aforementioned premises and the mutual promises, covenants and undertaking set forth herein, the parties agree as follows:

TMCC and NSHS desire to work in collaboration to offer lower division college courses to NSHS students. This agreement describes the mutual understanding of TMCC and NSHS.

SECTION I: Dual Credit

1. Legislative definition governing dual credit coursework for high school students, Nevada Revised Statute (NRS) 389.160:

Credit toward graduation from high school for courses taken at community college or university:

A pupil enrolled in high school, including, without limitation, a pupil enrolled in grade 9, 10, 11, or 12 in a charter school or a pupil enrolled in a program designed to meet the requirements of an adult standard diploma, who successfully completes a course of

NEVADA STATE HIGH SCHOOL AND
TRUCKEE MEADOWS COMMUNITY COLLEGE
FOR DELIVERY OF LOWER DIVISION COURSEWORK TO HIGH SCHOOL STUDENTS
2022-2024

education offered by a community college or university in this State which has been approved pursuant to subsection 2, must be allowed to apply the credit received for the course so completed to the total number of credits required for graduation from the high school or the charter school in which the pupil is enrolled or the credits required for receipt of an adult standard diploma, as applicable.

With the approval of the State Board, the board of trustees of each county school district and the governing body of each charter school shall prescribe the courses for which credits may be received pursuant to subsection 1, including occupational courses for academic credit, and the amount of credit allowed for the completion of those courses. (Added to NRS by 1989, 1089; A 1991, 1700; 1993, 103; 1999 3313; 2007, 1997.)

2. Jump Start Concept

NSHS students may enroll in a course at Truckee Meadows Community College (TMCC) and receive both high school academic credit and college credit.

- a. Only approved courses may be used for Dual Credit (either academic or elective). Academic credit refers to those courses which have been approved by the NSHS to meet graduation requirements. All other approved courses will count for elective credit.
- b. Dual Credit courses may be applied for either elective or academic high school credit. During the traditional school day and/or regular public hours, NSHS students may enroll in dual credit courses that qualify for college credit.

3. Approved Courses

- a. While there is no restriction on the type of course that a (NSHS) student may enroll in, each (NSHS) student's course selection must be approved by (NSHS) in consultation with the student, TMCC's academic advisor/success coach and must be consistent with the results of any placement tests or prerequisites established by TMCC. Community Service courses are not available for dual credit.

SECTION II: TMCC Jump Start Program

1. TMCC Course Offerings and NSHS Records

- a. TMCC shall develop and offer appropriate college courses in which NSHS students, grades 9-12, who meet minimum enrollment requirements may enroll in college credit courses to meet high school elective or graduation requirements.
- b. TMCC will provide one unofficial transcript for each student to participating NSHS high school within three weeks after grades are posted at the end of each TMCC academic term. This will only be done for students who have provided written permission to TMCC to release the transcript to the NSHS.

2. Jump Start Course Definitions

- a. Participation

MEMORANDUM OF UNDERSTANDING
NEVADA STATE HIGH SCHOOL AND
TRUCKEE MEADOWS COMMUNITY COLLEGE
FOR DELIVERY OF LOWER DIVISION COURSEWORK TO HIGH SCHOOL STUDENTS
2022-2024

- i. Individual: Known as “J2,” refers to individual students taking non-cohort dual credit college courses offered through the published TMCC catalog. No special arrangement or consideration is given for time or access in these courses. J2 students are considered dually enrolled.
 - ii. Cohort: This refers to courses arranged for specific groups where high school students are given first priority for enrollment.
 - a) Cohort Group Class: A class reserved for a specific group of high school students, usually at a single high school or targeted to a specific defined group (such as Gifted and Talented students, CTE students, etc.). These courses may be offered at a TMCC site.
 - b) Cohort/Public – A class with a specific number of seats reserved for high school students (generally from a specific high school, a specific targeted group, or any NSHS student) that is also open for enrollment of any TMCC student.
- b. Content
- i. Definitions
 - a) Academic: Refers to courses that align with academic graduation requirements, to include fine arts and those courses accepted as academic electives.
 - b) Career: Refers to technical or skill-based courses that align to Nevada Department of Education high school career and technical education pathways.
3. Jump Start Student Enrollment
- a. Jump Start classes are regular college classes. Curriculum and expectations follow the same rigorous standards set by TMCC Academic Departments. Jump Start students are fully responsible for their academic success.
 - b. Jump Start participants will be responsible for completing the required Steps to Enroll for Jump Start students which include:
 - i. submitting a TMCC application for admission,
 - ii. a dual credit orientation (online and offered at no cost) and
 - iii. submitting appropriate permission to enroll paperwork.
 - c. Administrators or their designee will be responsible for approving all students enrolled in Jump Start courses to ensure the course is appropriate and the student is prepared to be successful.
 - d. Jump Start students will have full access to TMCC support services including Tutoring and Writing Center.

MEMORANDUM OF UNDERSTANDING
NEVADA STATE HIGH SCHOOL AND
TRUCKEE MEADOWS COMMUNITY COLLEGE
FOR DELIVERY OF LOWER DIVISION COURSEWORK TO HIGH SCHOOL STUDENTS
2022-2024

- e. TMCC may provide student support for high school students enrolled in TMCC classes, which may include orientation, retention services and assistance with registration and enrollment in college classes.

4. Instruction

- a. Academic Jump Start classes are taught by TMCC college instructors, per course requirement.
 - i. A NSHS instructor who meets the TMCC professional requirements for a specific course may be considered by TMCC to receive part-time faculty status for the purposes of offering instruction to Jump Start students during the high school day as part of his/her NSHS full- or part-time teaching assignment. This portion of dual credit is called concurrent enrollment.
 - ii. A NSHS teacher, who is also part-time faculty for TMCC, may teach a Jump Start course during his/her full- or part-time teaching assignment, upon approval from NSHS administration and TMCC.
 - iii. Any NSHS instructor who acts as TMCC part-time faculty pursuant to Section 4 of this Agreement must comply with the Nevada System of Higher Education's ("NSHE") COVID-19 vaccination requirements contained in NSHE Code Article 4, Ch. 12.
- b. Students will be the only point of contact with professors regarding any questions they have. By enrolling in at TMCC, students and NSHS understand:
 - i. Academic freedom is practiced at TMCC and allows faculty and students to pursue whatever inquiry they feel is important in the classroom without fear of censorship.
 - ii. Students may encounter adult language and images, different philosophical viewpoints and belief systems, as in any college environment.
 - iii. Parents are encouraged to help their students practice important communications skills to best support the student role as the main point of contact for all Jump Start inquiries.
- c. The grades earned through Jump Start will be a part of student's permanent college record. Students should review TMCC's dates and deadlines carefully and frequently.
 - i. Dropping a class:
 - a) To drop a class, students must withdraw from the class in advance of the deadline.
 - ii. Students who do not request to be dropped a course and fail to attend or submit work will receive the grade for the course they earn.

5. Course Fees and Payment

MEMORANDUM OF UNDERSTANDING
NEVADA STATE HIGH SCHOOL AND
TRUCKEE MEADOWS COMMUNITY COLLEGE
FOR DELIVERY OF LOWER DIVISION COURSEWORK TO HIGH SCHOOL STUDENTS
2022-2024

- a. Course Fees: TMCC shall charge the following fees in addition to course registration fees, as established by the NSHE -

- i. For all students:
 - a) A technology fee per credit hour
 - b) Any special fees associated with the course

The following fees are waived for any student participating in the Jump Start Program.

- a) Application fee
- b) Student Government Association per credit fee
- c) Health and Sports per credit fee

- b. Textbook costs shall be the responsibility of NSHS and its students.
- c. Registration Fees: TMCC and NSHS agree to the following fees structure as defined by the statewide agreement -
- i. For regular dual enrolled students, TMCC shall charge \$85 per credit.
 - ii. For students that qualify for free and reduced lunch status upon documentation provided by NSHS administration, TMCC shall charge \$58 per credit.
 - iii. For courses taught as a part of concurrent enrollment by a qualified NSHS teacher, TMCC shall charge \$75 a course with no additional fees.
 - iv. The Board of Regents of NSHE govern all tuition and fees. Pricing will stay in accordance with the Board of Regents Handbook.

NSHS is responsible to pay for all fees applicable to NSHS students enrolled at TMCC. TMCC will charge via TMCC invoice no earlier than within thirty (30) days of the start of the courses and NSHS will remit full or partial payment of no less than 50% of all fees within thirty (30) days receipt of TMCC's invoice, for each student enrolled in TMCC courses pursuant to Section II above. NSHS will reconcile full payment by no later than the 10th day of December and April respectively for the fall and spring semesters. NSHS may pursue grants and other funding opportunities to help support their students in the dual enrollment program.

Marketing

The design content, and distribution of all marketing efforts (i.e., written materials, displays, broadcasts, media releases, announcements, etc.) associated with this partnership will be mutually developed and agreed upon by both parties prior to release/distribution. All promotional materials requiring the use of the TMCC logo shall be approved by the TMCC Marketing and Communications Office via email (marketing@tmcc.edu) prior to being posted or distributed. All promotional materials requiring the use of the Nevada State High School logo shall be approved by the Nevada State High School Marketing and Engagement Director via email prior to being posted or distributed. TMCC will provide directory student information

to Nevada State High School qualified personnel for targeted marketing only for the purposes and intentions set forth in this Agreement.

SECTION V: Hold Harmless

To the extent authorized by law, NSHS agrees to indemnify and hold harmless TMCC, its officers, agents, servants or employees, from any damages, costs, or expenses by reason of liability as a result of any negligent act or omission by NSHS, or sub-users of NSHS, in the operation, supervision, control, or sponsorship of any activity or program upon the TMCC premises.

To the extent authorized by law, TMCC agrees to indemnify and hold harmless NSHS, its officers, agents, servants, or employees, from any damages, costs, or expenses by reason of liability as a result of any negligent act or omission by TMCC; or sub-users of TMCC, in the operation, supervision, control, or sponsorship of any activity or program upon NSHS premises.

SECTION VI: Insurance

NSHS shall, at its option, procure and maintain general liability insurance or self- insurance in compliance with NRS Chapter 41.

The Board of Regents shall, at its option, procure and maintain general liability insurance or self-insurance in compliance with NRS Chapter 41.

Responsibility of the College, Community College or University:

1. TMCC will comply with FERPA regulations.
2. Tuition will be refunded pursuant to the refund policies of TMCC if the student elects to drop a course or if the student is administratively dropped.

SECTION VII: Amendment

This interlocal agreement may be amended upon mutual consent of NSHS and the Board of Regents of the Nevada System of Higher Education, on behalf of the Truckee Meadows Community College, so long as it is consistent with the law of the State of Nevada.

SECTION VIII: Agreement Term

This agreement shall commence on July 1, 2022, and end on June 30, 2024.
