#### **Public Comment #1**

No public comment

#### **Approval of Previous Meeting Minutes**

Motion to approve minutes held off to next meeting as to allow adequate time for review.

#### **Guest Speakers to Present on Data Collected for Areas of School Safety**

Guest Speaker Seri Park and Albert Wong from University of Nevada, Reno presented their study data on “Investigating speed distributions across school zones in Nevada” sponsored with funds by the Nevada Department of Public Safety Office of Traffic Safety. Then the Nevada Division of Emergency Management did a presentation on the data collected on Emergency Operation Plans review process and outcomes. After each presentation members were given the opportunity to ask questions. No action items were taken at this time but this committee may return to revisit items in a future meeting for discussion or further review

**Review of Nevada Legislative Session 2025**

Department Staff shared a running list of current bill draft requests, assembly, and senate bills that are being monitored as they relate to students and education. Members were given viewing access to the tracker and this will be reviewed and updated at each meeting.

**Future Agenda Items**

Suggested items include standing legislation updates. Weapon detection discussion will be set for April. Future items to invite DOE representative to talk about product confiscated and then talk about vapes in schools and vape detectors. Members felt it best to move the student panel to the fall months to give time to know the outcome of legislative bills.

**PUBLIC COMMENT #2**

No Public comment by public
