

The parties referred to in this document include, but are not limited to, the Nevada Department of Education, herein referred to as “NDE”, and the local agency, herein referred to as the “SUBRECIPIENT”. NDE may make funds available to the SUBRECIPIENT in accordance with requirements and regulations applicable to such programs.

The General Statement of State Assurances is divided into several sections; the table of contents below provides a quick reference. These Assurances provide information regarding the obligations, requirements, and agreements associated with a grant subaward, and serve as a contractual agreement between NDE and the SUBRECIPIENT regarding the award, distribution, and management of grant funds. Violation of the Assurances are grounds to issue corrective action or terminate the subaward agreement. A subaward is defined as an award of financial assistance provided by a pass-through entity (in this case NDE) to a subrecipient entity for the subrecipient to carry out the terms of the originating grant award and as agreed upon via state or Federal assurances. Under that subaward, a SUBRECIPIENT will have one or more programs, projects, or activities that align with the goals and intent of the grant. NDE upholds the same standards for state and federal grant awards, and reference to authorizing Code of Federal Regulations statutes serves to identify the originating authority for the policy and/or standard.

15. All documentation, such as invoices or contracts, etc., should be maintained at the SUBRECIPIENT’s principal place of business and readily available for examination upon request. If not, the SUBRECIPIENT must bear the cost of making original documents available for examination. SUBRECIPIENTS must retain financial and programmatic records, supporting documents, statistical records, and all other records that are required by the terms of a grant or may reasonably be considered pertinent to a grant for a period of 5 years from the date the Final Financial Report (FFR) is submitted to NDE pursuant to **20 U.S.C Section 1234a(k)**.
16. The SUBRECIPIENT will obligate funds within the approved project period as set forth in the approved application and will liquidate said obligations not later than 45 days after the end of the project period. For purposes of approved projects, obligations have the same meaning as contained in **34 CFR 76.707**.  20. Timeliness of report submission will be tracked and noted in the SUBRECIPIENT subaward file. Any extensions or exceptions to requirements must also be noted in the SUBRECIPIENT subaward file.
 21. The SUBRECIPIENT agrees to fully comply with evaluation and audit teams, including financial and programmatic risk assessments and monitoring, that will evaluate the effectiveness of the subaward, its management, and its implementation. Noncompliance may affect the SUBRECIPIENT'S eligibility for future awards from NDE or result in forfeiture of remaining funds.
