Purpose

Provide flexible, accessible, and targeted professional development to support statewide literacy goals and to ensure a comprehensive and effective delivery of literacy training that focuses on the newly revised Nevada State Literacy Plan (NSLP). The Nevada Department of Education's (NDE) goal is to provide support and training to districts across the state in order to ensure educators have the knowledge and skills required to successfully implement the revised literacy plan and improve student outcomes.

Accessibility

Printing

Two printed copies of the literacy plan will be provided for each school allowing for easy access to the plan for educator use
