# Dual Credit Students By Year

Students are considered dual enrolled if they graduated from a Nevada public high school with a Standard, Advanced, Alternative or College and Career Ready diploma type and took at least one NSHE course at any time during their high school years. Students enrolled in formal dual/concurrent enrollment programs and students that enrolled in courses independently (not part of formal dual enrollment programs) are counted as dual enrolled.

# Charge

- Align and Shine Nevada will develop a proposed policy-based NSHE dual credit framework that provides:
  - a clear structure;
  - enhances process clarity; and
  - promotes access, student success, and program completion.

# West of the Mississippi: Statewide Policy/Statutes that Established Parameters for Dual Credit

# Focus Areas

- Align and Shine Nevada will address the following dual credit issues when developing the NSHE policy and procedures:
  - Admissions and Retention Standards;
  - Quality Assurance Standards;
  - Collegiate Experience Standards;
  - High School Instructor Support Standards;
  - Student Wrap-Around Support Standards;
  - Instructor Qualifications;
  - Identifying Free and Reduced Lunch Students for Billing Purposes; and
  - Data Collection and Analysis.
