---

**933- Prospects and Applicants**

**348 – Admit**

**56 - Accepted Admissions**

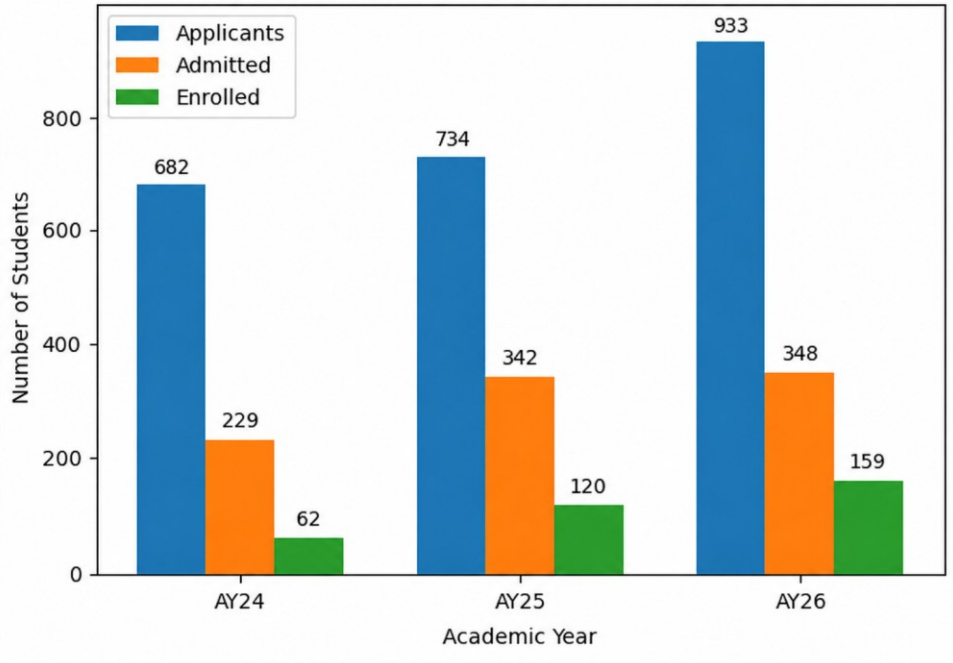

**48 – Matriculated**

**159- Enrolled**

---

Admissions Funnel Comparison Across Three Years

Category	(05/1/24)	(05/1/25)	(05/1/26)	Comparison
Applicants	682	734	933	+251
Admitted	229	342	348	+119
Enrolled	62	120	159	+97

Key Takeaways:

- Applicants increased by 251 students (+36.8%) from AY24 to AY26
- Admitted students increased by 119 students (+52.0%), reflecting continued growth in the applicant pool and sustained admission activity
- Enrolled students increased by 97 students (+156.5%), demonstrating significant gains in final student conversion
- Year over year trends show continued strengthening across the admissions pipeline, with the most substantial growth occurring at the enrollment stage
