WestEd is committed to accessibility, usability, and inclusivity. We strive to create and maintain accessible websites, multimedia, documents, and experiences for people with disabilities. We are continually striving to improve the user experience by applying relevant best practice accessibility standards to our work.

WestEd welcomes comments and suggestions on how to improve accessibility for users with disabilities. If you encounter any accessibility issues in the above listed document, please contact the WestEd staff member that submitted the document or email us at Accessibility@WestEd.org.
