

Vision and Mission - Second Draft (from mtg notes)

Vision (student centered, less is more)

Thriving Students, Brighter Futures

Mission (a short evolution of one version)

Initial – we recognize the “LEA” client per the statute includes certain charters/charter sponsors as well as districts

- We elevate the work of *Nevada school districts and charter sponsors* (Nevada public schools) through collaborative partnerships that improve student outcomes and strengthen operations using evidence-based practices.

Revised

- We elevate the work of Nevada’s public education system through collaborative partnerships that improve student outcomes and strengthen operations using evidence-based services.
