Who We Are

MISSION

To be a **trusted partner** that stands alongside teachers and school leaders to achieve positive **student impact**, reignite **joy** in the classroom, and **prepare educators** for a career filled with success and growth.

OUR WORK

Active partnerships in **6 Nevada districts**, with veteran educators embedded in schools statewide, and **an approved Opportunity 180 provider**.

What We Are Proposing

A three-tier model, serving administrators statewide.

Regional Cohorts

Virtual, progressive learning sessions organized into three regional cohorts serving 200-300 administrators statewide.

Statewide Summit

A hybrid, full-day convening bringing together administrators from all 17 Nevada counties for shared calibration and practice.

Teaching Channel Platform

Year-round asynchronous access to 2,500+ NEPF-aligned videos, peer feedback tools, and monthly data reporting to NDE.

NEPF and SB460 Alignment

Admin Standard 4	Structural Systems	Administrators conduct gap analyses and build systems alignment action plans tied to school improvement goals
Admin Standard 1	Human Capital & Evaluations	Administrators strengthen evaluation precision through video-based observation practice, scoring norming, and SB460 compliance review
TIP Standard 4	Metacognitive Strategies	Administrators build capacity to identify and support metacognitive instructional strategies through classroom video analysis and feedback planning
SB460	Advanced NEPF Calibration	Structured norming, independent video scoring, and discrepancy resolution build inter-rater reliability across all Nevada districts
