SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608

DATE: October 1, 2024

RE: Workshop to Solicit Comments on Proposed Amendments to NAC 391.13065 and 391.425 – Business and Industry automotive service technology endorsement and work experience requirements.

I, Jhone M. Ebert, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation, or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed, and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comments have not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

Jhone M. Ebert
Superintendent of Public Instruction

The intent of this regulation is to ensure that applicants for a business and industry license have work experience in a business or industry. Additionally, the Automotive Service Technology endorsement is no longer issued and was combined with the Automotive Technology endorsement in NAC 389.803. Specific work experience references were removed as this is updated frequently based on areas of career and technical education.
