Core Values

Every day, students are...

Building
knowledge of the
world.

Engaging with
grade-level
content and
instruction.

Solving complex
problems
together.

Making progress
toward their
postsecondary
goals.

NDE will achieve this vision by focusing on five core priorities.

Strong Foundations

Empowering Pathways

**Equipped Educators &
Leaders**

**Informed and
Connected Families**

Aligned Systems

Core values make concrete how we act on our beliefs, including how we make decisions, prioritize work, and show up every day.

- 1 We are student-centered.**
- 2 We are in this together.**
- 3 We are bold and intentional.**
- 4 We listen, learn, and adapt.**
- 5 We are stewards of public trust.**

Agency Updates

Nevada Superintendent's Advisory Group for Education (NV SAGE)

- Statewide student advisory group for 10th and 11th graders
- Quarterly virtual meetings
- 1-Year term, renewable for a second year
- Students from all districts (1-2 per district)
- Applications open July 15th - August 15th
- Application form available at bit.ly/NVSAGE

- First set of petitions have been approved
- NDE will post the running list of waived reports on our website: doe.nv.gov/reporting-efficiency-project

Building on the work of previous leadership, the Nevada Department of Education (NDE) will develop the Statewide Plan for the Improvement of Pupils (STIP) to provide a clear, aligned, and actionable plan to improve outcomes for every student.

The new STIP will provide:

- A 5-year strategic plan aligned to NDE's strategic priorities
- Refined targets, initiatives, and performance indicators
- A coherent roadmap for districts, schools, and NDE teams to execute on this plan

Opportunities to engage:

- September SBE meeting
- Unique engagements available upon request
