SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608

DATE: April 05, 2024

RE: Workshop to Solicit Comments on Proposed Amendments to NAC Chapter 385.015

I, Jhone M. Ebert, being the duly appointed Superintendent of Public Instruction of the Nevada Department of Education, do hereby certify, to the best of my knowledge or belief:

1. The proposed regulation regarding the assignment of number for identification of records of pupils in public schools is not likely to (a) impose a direct or significant economic burden upon a small business, or (b) directly restrict the formation, operation or expansion of a small business.
2. A concerted effort was made to determine any economic burden.
3. All relevant materials were reviewed, and the Department considered its history with implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement.
4. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I hereby further certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement was prepared properly and is accurate.

Respectfully submitted,

Jhone M. Ebert
Superintendent of Public Instruction

NAC 385.015 Assignment of numbers for identification of records of pupils in public schools. (NRS 385.080)

1. All students will receive a Student Unique ID (SUID) assigned by the statewide student information system that will be used to uniquely identify a student attending public school in Nevada.

~~—1. A school district shall assign to each pupil enrolled in a public school in the district a number which identifies the records of the pupil for use by the Department of Education. If a parent or legal guardian of a pupil elects to provide the social security number of the pupil, the identification number assigned to a pupil must be the pupil's social security number. If a parent or legal guardian of a pupil elects not to provide the pupil's social security number, the school district shall assign to the pupil an alternate number which uniquely identifies the records of the pupil.~~

~~—2. Except as otherwise provided in this subsection, a pupil must be assigned only one identification number which identifies the pupil's records for the duration of his or her enrollment in the public school system in Nevada for use by the Department of Education. If a pupil's identification number is his or her social security number, a parent or legal guardian of the pupil may object to the continued use of the pupil's social security number and request that the school district assign an alternate number which uniquely identifies the records of the pupil.~~

~~—3. The provisions of this section do not:~~

~~—(a) Require a parent or legal guardian of a pupil to provide the social security number of the pupil.~~

~~—(b) Prohibit a school district from establishing or maintaining a separate system for identifying pupils for use by the school district.~~
