PART I – APPLICATION REQUIREMENTS AND GUIDELINES

INTRODUCTION AND BACKGROUND

Overview

A learning environment that is safe and respectful is essential for the pupils enrolled in Nevada schools. Nevada Revised Statute (NRS) 388.132 states any form of bullying and cyberbullying seriously interferes with educational opportunities. School districts and schools must train staff and students on bullying and cyberbullying prevention.

This application creates the mechanism for compliance with legislative mandates while supporting school district and charter schools for creating the conditions necessary to support collaborative and responsive partnerships as we work towards having bully-free schools for all students and all staff.

Eligible Applicants
