

**RMC Research Corporation**  
**Year 2 Third Quarter Report**  
**Nevada Native Youth Community Project**  
**July 2024 – August 2024**

RMC activities for the quarter are provided within the context of evaluation tasks. RMC evaluators engaged in various activities this quarter, including data collection, instrument development, report preparation, Institutional Review Board (IRB) annual report preparation, and meeting attendance and communication. Details related to these evaluation tasks are provided below.

**Data Collection**

RMC staff worked with NYCP staff to identify which data were needed from schools to complete the Grant Performance Report (ED 524B) or Annual Performance Report.

RMC staff created a College Camp/College Visit data template to ensure a complete set of data is collected for reporting purposes. This template was shared with NYCP and used during the University of Nevada, Las Vegas (UNLV), College Camp visits.

**Instrument Development**

RMC staff provided federal data requirements for the Grant Performance Report (ED 524B) and the Annual Evaluation Report, as well as an NYCP federal reporting timeline.

RMC submitted parent ‘active’ consent forms and updated forms (updating year) to Solutions IRB for review.

RMC updated parent consent forms and provided them to NYCP prior to the new school year.

**Report Preparation**

Frank Waln’s Motivational Presentation summary was submitted.

RMC prepared and submitted the Quarter 3 Report.

RMC prepared and submitted the UNLV College Camp summary.

**Other Activities as Needed**

RMC staff researched and shared information on best practices for completing the academic learning plan.

RMC staff researched and shared information on preventing school bullying during the NYCP Coaches Meeting.

RMC staff researched and shared information on the role of teacher expectations on student academic achievement.

RMC attended the OIE Summer Series Executive Order 141112.

RMC convened an NYCP site visit update with Fawn Lewis.
