Teacher Academy College Pathway Program

NEVADA
Department of
Education

What is TACPP?

The Teacher Academy College Pathway Program (TACPP) provides a direct pathway for students and supports them on their journey to becoming a teacher in participating districts.

Interested students can begin their journey with TACPP at any time during their high school career.

Benefits for TACPP Participants

NEVADA
Department of
Education

Tuition-Free Learning

- Earn college credit for dual-enrollment courses taken in high school as funding allows.
- Tuition and fees reimbursement after working full-time as a licensed teacher at a public school in Nevada.

Seamless Transition to College & Career

- Pursue a degree at a Nevada System of Higher Education (NSHE) institution.
- Employment opportunity as a paraprofessional while pursuing degree at an NSHE institution.

University of Nevada, Reno

NEVADA STATE
UNIVERSITY

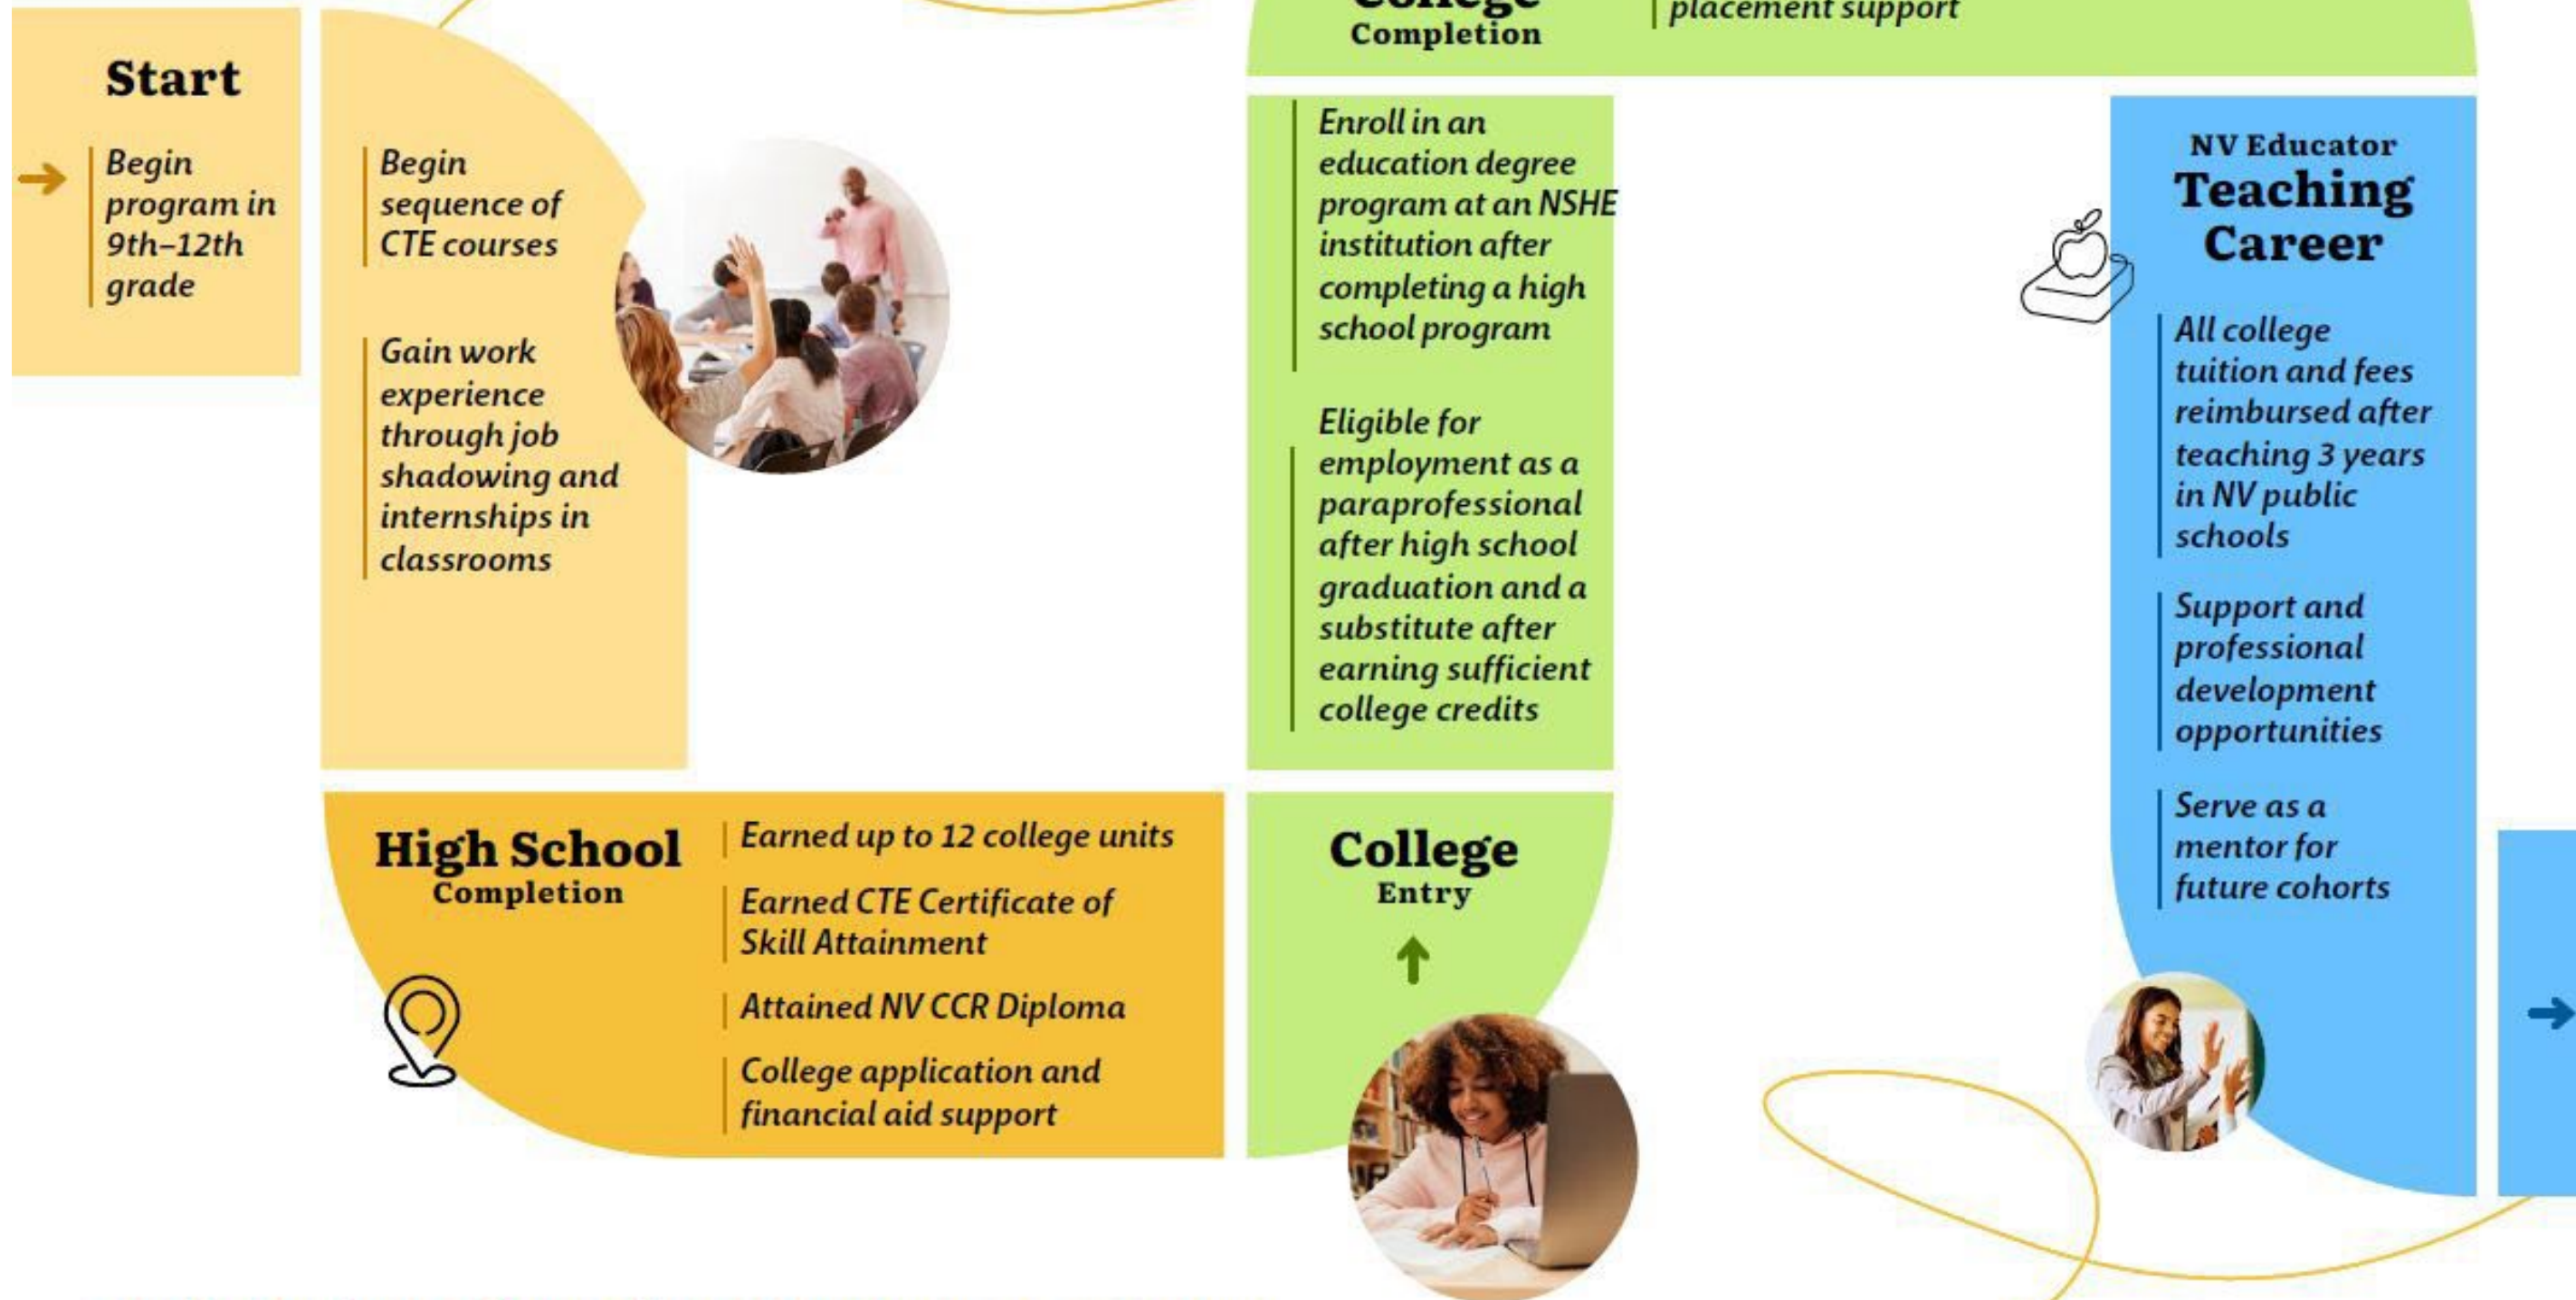

Lifetime Opportunities

- Participate in professional development, mentor future TACPP cohorts, and grow in a supportive educational community.

Teacher Academy College Pathway Program

Student Journey

Teacher Academy College Pathway Program provides reimbursement for tuition, registration, and other fees for college courses in the program.
