SMALL BUSINESS IMPACT STATEMENT
PURSUANT TO NRS 233B.0608

DATE: October 20, 2025

RE: Workshop to Solicit Comments on Proposed Amendments to NAC Chapter 388D.XXX
and 388D.010-130.

The proposed regulation regarding requirements for private schools and scholarship granting organizations participating in the Nevada Educational Choice Scholarship is not likely to impose a direct or significant economic burden upon a small business, or directly restrict the formation, operation or expansion of a small business. A concerted effort was made to determine any economic burden. All relevant materials were reviewed, and the Department considered its history of implementing similar regulations; the proposed changes are within the scope of the Department's activities and present no significant cost of enforcement. Comment has not been solicited from small businesses, and no summary of their response is provided, because small businesses are not impacted by this regulation and thus no burden or adverse economic impact can be assessed.

I, Steve Canavero, Interim Superintendent of Public Instruction, certify that, to the best of my knowledge or belief, a concerted effort was made to determine the impact of the regulation on small businesses and that the information contained in this statement is accurate.
